

1957 EVERGREEN
AND GOLD

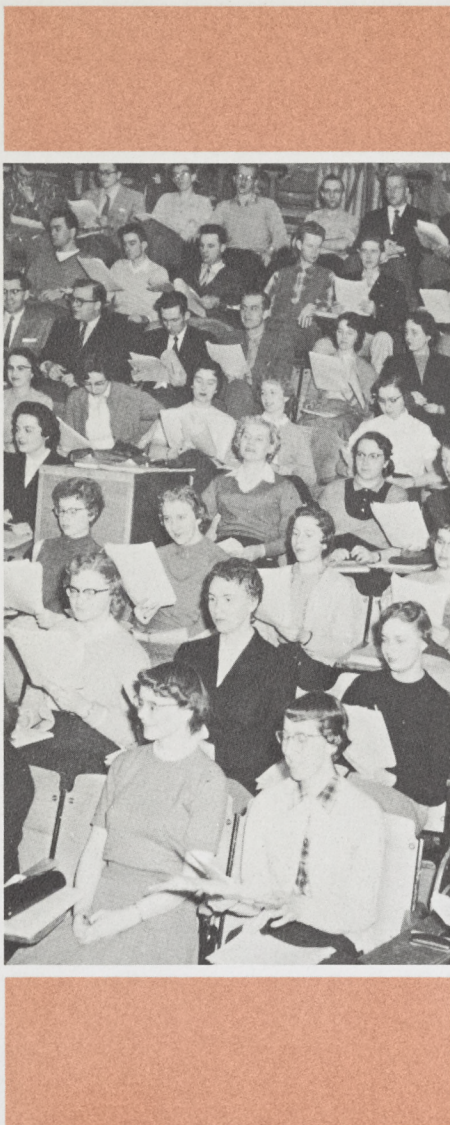

1957

We dedicate this

EVERGREEN AND GOLD

to our university ...

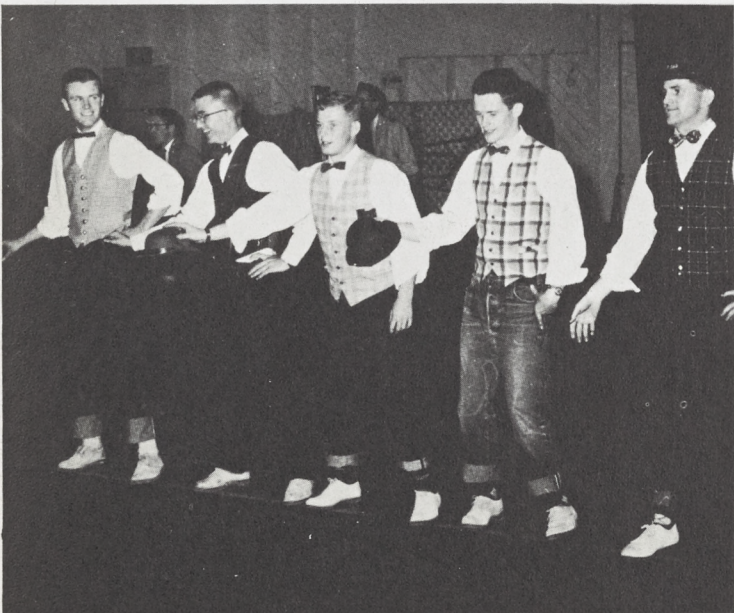

to its ideals and practices, both in

and out of classes

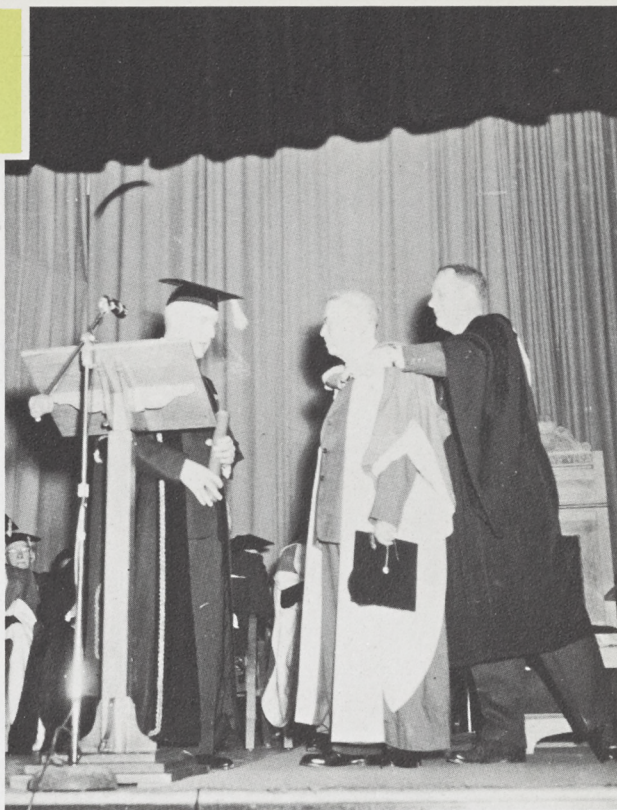

to its advancement of learning . . .

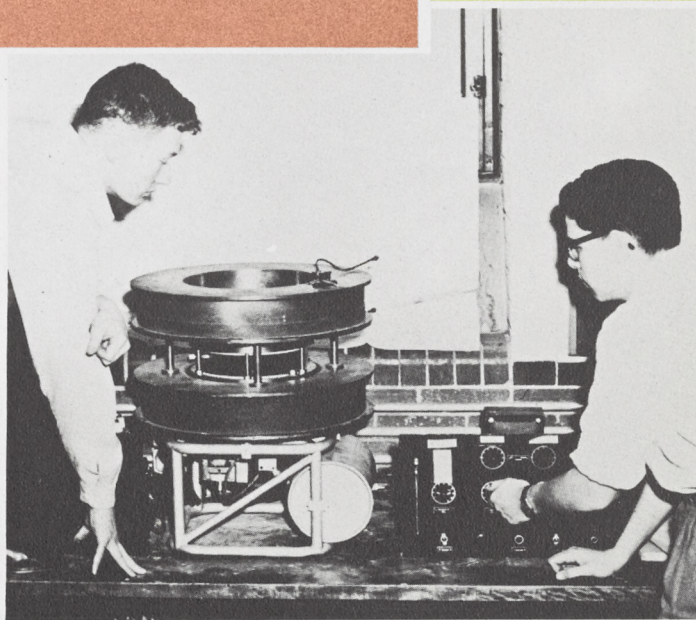

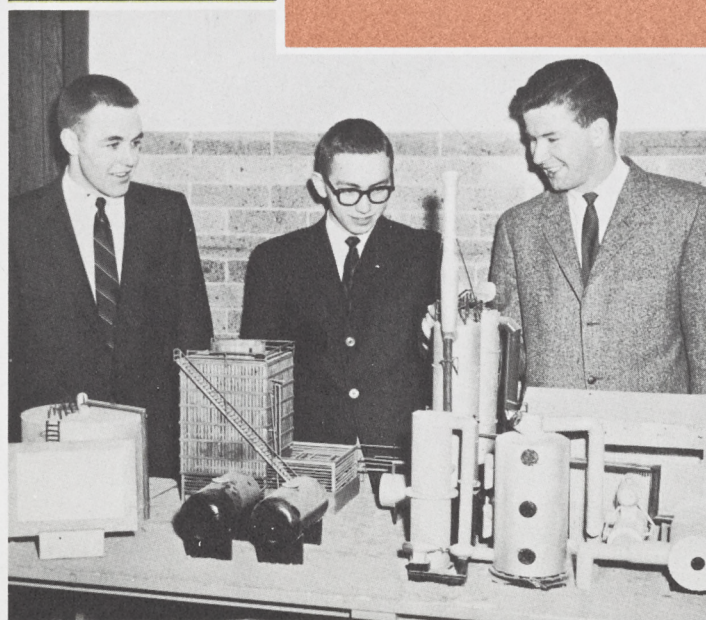

in the arts,

in the humanities

and in the sciences

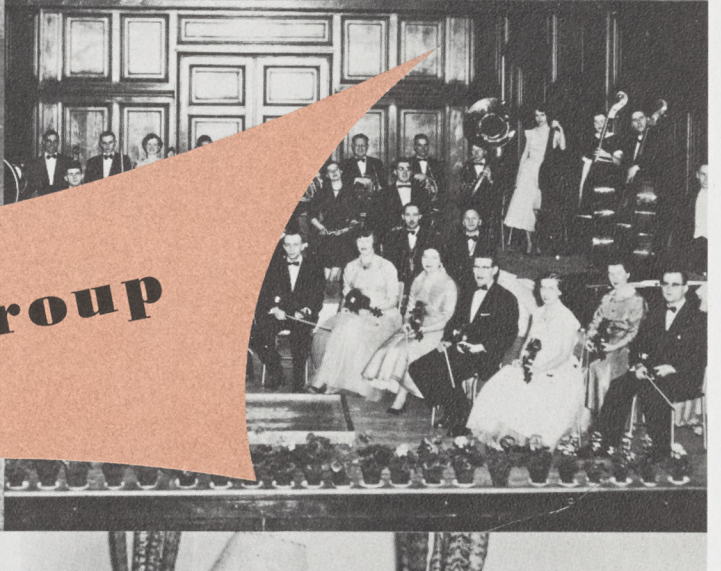

to its promotion of spirit...

in the individual

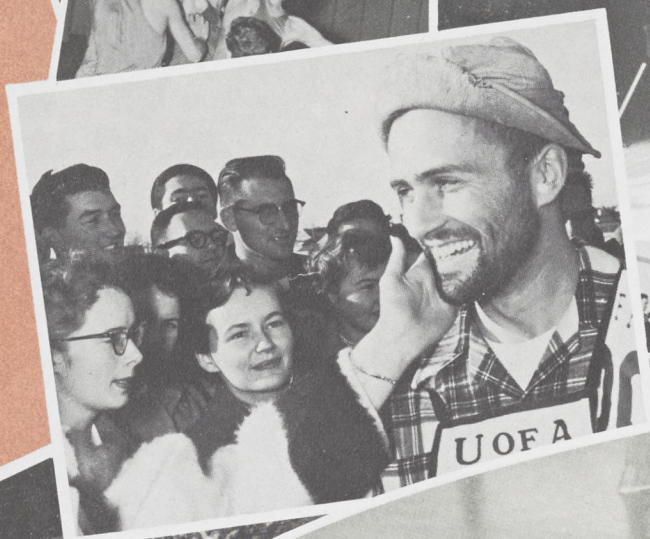

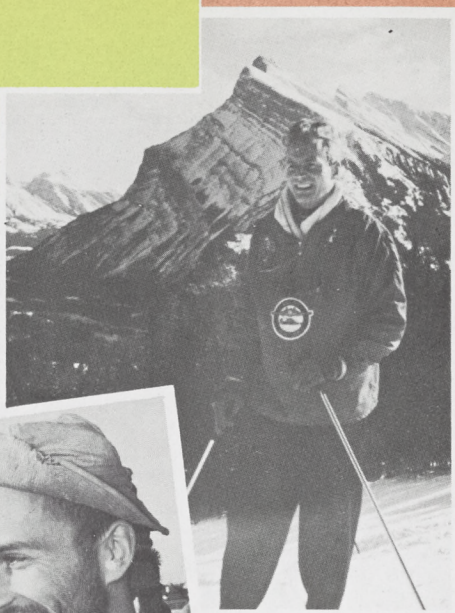

and the group

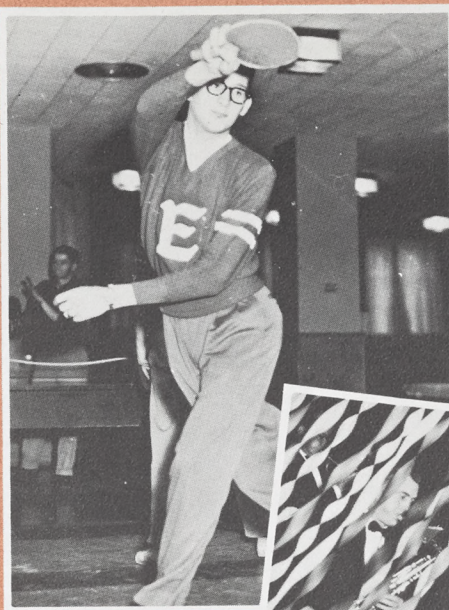

as recorded ...

on the field,

on the

corner,

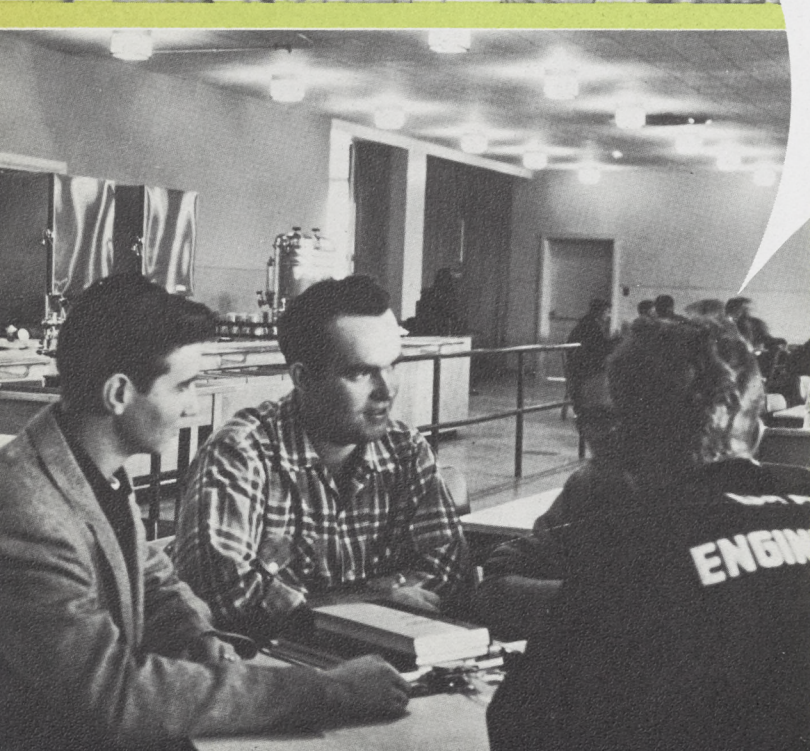

and after class

finally, to the memories ...

of our happy years on

this campus

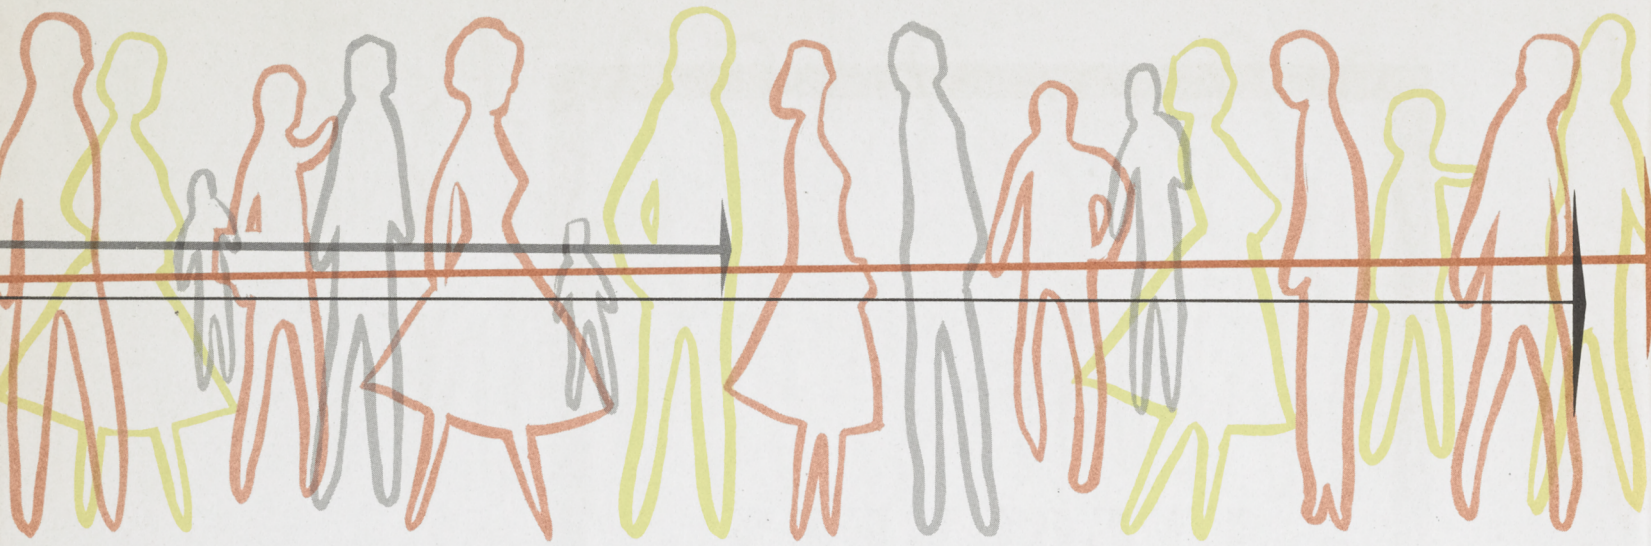

we rededicate this ...

1957

Administration

ANDREW STEWART
B.S.A., M.A., L.L.D.
President

The Evergreen and Gold is a permanent reminder of the days at the University of Alberta. Alumni who show their "Year Book" to their children, and even grandchildren, try to recapture the interests and to revive the memories of student days. The book becomes more valued as time goes on.

Students whose pictures appear somewhere in the "Year Book" are daily creating the substance which hides behind the form of the book. The substance is the complex of experiences in the day-to-day activities on the campus. These experiences leave an indelible impression. Many of them can be obtained without attending University. It is important that the impression made is the mark of a University.

It may be that it is 1996, and you are thinking of the days 40 years ago when you were at the University of Alberta. We hope your memories are happy ones, and that in the intervening years you have found your experiences in 1956 have contributed to a satisfying and rewarding life.

P.S. Have you been back to visit the University of Alberta lately?

Andrew Stewart

Students' Council

JOHN N. CHAPPEL
President

From the sweaty dressing rooms of the gymnasium to the ivory tower recesses of the library stacks, student life on the campus pulses with varying amounts of vitality. Somewhere through all this activity runs an intangible thread of "campus spirit".

This is the element we have tried to increase during the past year. The task has been tremendously challenging but almost impossible to assess. For "spirit", like "happiness", often eludes the most ardent pursuit.

The interests and attention of the Students' Council have ranged from Football Night and the social uses of S.U.B. to such things as the Bookstore, the new Recreation Building, and a Russian Student Exchange. In all this our motivation has been to benefit the student and to add to the value of his life at university.

Why this emphasis on campus spirit? What can "spirit" do for the average student? That spark of interest, that touch of enthusiasm, that burst of energy which somehow result from this "spirit" can add enjoyment and results to every activity, whether it be academic or social, athletic or cultural.

As you turn the pages of this book and reminisce over the delightful, sweet and sour memories of the past year, add these words of Kipling to your thoughts:

"If you can fill the unforgiving minute
With sixty seconds worth of distance run,
Yours is the world, and everything that's in it;
And, what is more, you'll be a man my son."

John Chappel

Students' Council

Under the capable leadership
of John Chappel,
the Students' Council has completed
another successful year.

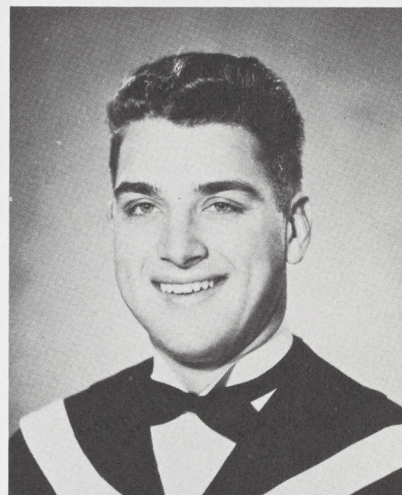

This group,
composed of twenty-four members
who are selected at
the general election every spring,
is the students' own government.

In them are vested
the legislative, executive
and administrative powers
of the Students' Union.
The efficient planning
and co-ordinating
to insure success
of the various
extra-curricular activities
of the student body
has been capably carried out
by these
behind-the-scenes workers.

EVERGREEN

This yearbook has been produced by the work and time spent by the people shown on these pages. We have endeavored to make this book something which you can look back on with pleasure in future years.

It is somewhat of a dynamic year for the Evergreen and Gold. For the first time since the inception of the book it is being done by the lithographic system of printing. This switch from the older style was made in order to produce a book on somewhat the same standards as some of the better American yearbooks. The potentials of lithography in a yearbook are almost unlimited and this year's book is only a start.

Changing to an entirely new system is a momentous task and there will be many wrinkles to iron out and new problems to face. Thanks to the hard work of our staff, the personal help of Mr. Tom Comfort and Miss Shirley Smith of Hamly Press, and the excellent co-operation of Hamly Press, we feel that these difficulties will be surmounted and one of the best yearbooks ever will be produced.

Golden Key Society

The Golden Key Society is one of two honorary organizations on the campus. Membership is granted to twelve students each year in recognition of their distinguished service to the Students' Union through participation in extra-curricular activities. Appointment to Golden Key is one of the highest awards offered by the Students' Union and members may be recognized by their distinctive blue blazers and gold crest, which are gifts of the members of the Union.

The Golden Key Society, as a group of experienced students, offers service to the Students' Union by acting as the Freshman Introduction Committee, organizing and running Frosh Week each year. In addition, the Society produces during Varsity Guest Week-end, the all-student talent show, Varsity Varieties, and acts as official hosts of the Students' Union to visitors to our University Campus.

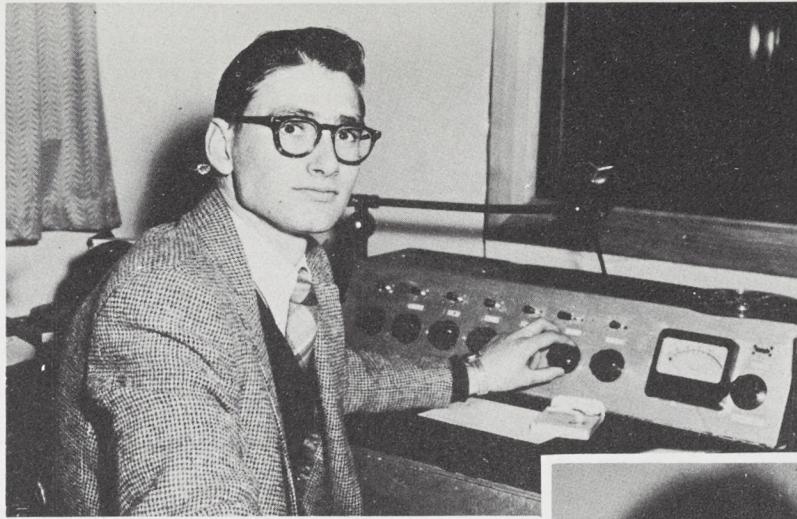

Left to Right: Cy Ing, Kieth Sveinson, Mary McDonald, John Paterson, John Davies, Gordon Arnell, Van Scraba, Barry Vogel, Albert Lang, Terry Kehoe, Hugh Nuttycombe, Mary Hendrickson, Dennis Lawson and Doug Burns. Missing: Bob Smith.

Radio Society

The University Radio Society has enjoyed an active and constructive season. Under President Jim Edwards, Arts 3, an extensive publicity campaign has resulted in a provincial network of seven stations being set up. Early in the year news exchanges with the other three Western campi were begun, using the facilities of the Ham Radio Club.

Largely through the efforts of Chief Engineer Forbes Langstroth, technical quality of the broadcasts was improved to top performance, and the SUB console was rebuilt to perfect production. Production Directors Art Newman and Marg Sutcliffe channeled news and features from on and off campus into the provincial and intervarsity networks.

WAUNEITA SOCIETY

"Payuk uche Kukeyow, Kukeyow uche payuk": Each for all, all for each. The Wauneita Society brings together the women students of the University in a spirit of co-operation and goodwill. Every activity of Wauneita is planned with this purpose in mind.

The Society began this year with various coffee parties and teas for the freshettes. During registration week, Wauneita also held their initiation ceremony which formally welcomed the girls to the campus and made them loyal members of the Wauneita tribe. In mid-October, Wauneitas presented the Annual Wauneita Formal, a highlight of the fall social season. This year the theme of the formal was Arabian. At Christmas time a White Gift Party was held in the Wauneita Lounge in the Students' Union Building. Every year the Society also undertakes several projects, such as sending hampers to needy families at Christmas.

All these activities unite freshettes and upperclasswomen in a cohesive whole . . . the undergraduate women of the University of Alberta. With Mrs. Scargill as Honorary President, the executive, under the capable leadership of Shirley Tanner, made possible the success of our Wauneita activities, 1956-57.

AL BAISLEY, President

Photography Directorate

Membership in the Photodirectorate is composed of a few students whose interest in photography finds some gratification in seeing manifestations of their work in the yearbook and the campus newspaper.

Martin Dzidrums has had commercial photographic experience with one of Edmonton's leading photographers. Having been a photographer at Regina College qualified Eugene Chou. Jamie MacKeage has had experience with camera clubs in Halifax and Kingston. Albert Munz took a short course in photography at the Banff School of Fine Arts. Completing our staff we have John Hillerud and Leroy Long.

CAMPUS KARSH

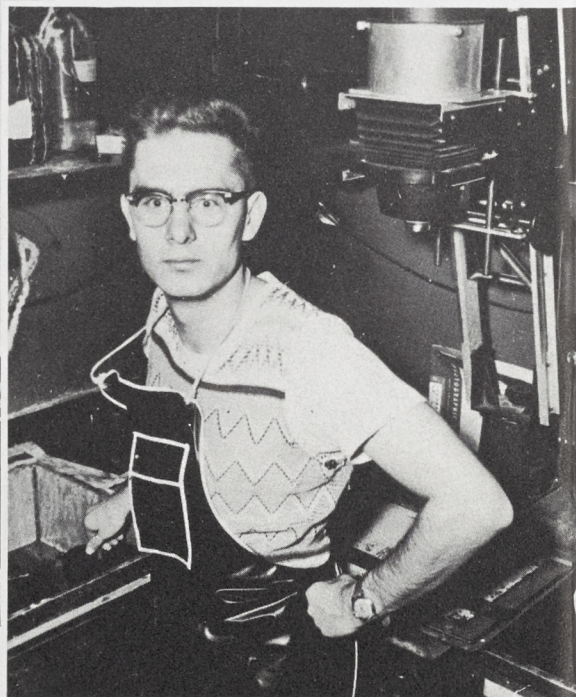

It has been necessary for the Director to give a series of lectures and demonstrations in order to have available in September a staff capable of handling a camera. Leroy Long, Al Munz and Jamie MacKeage were among those who attended the course last winter.

I wish, in conclusion, to thank the photographers who have worked for and with me during this term and who have devoted much time and effort to producing better pictures and photographs for the Gateway and the Evergreen and Gold.

IN THE DARK ROOM

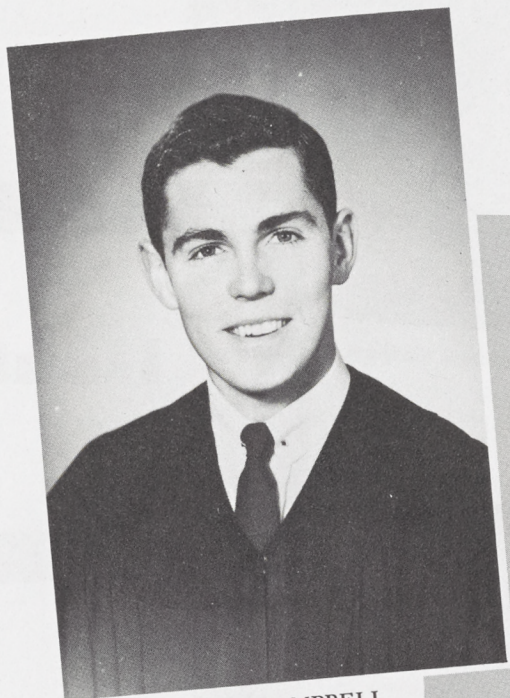

Public Relations

The Public Relations Committee is one of the most active organizations on the campus. This year, under the leadership of Doug Burns, assisted by Gary Campbell, Dick Anthony and a number of co-eds, the Public Relations Committee has reached a new high in university-to-public relationship.

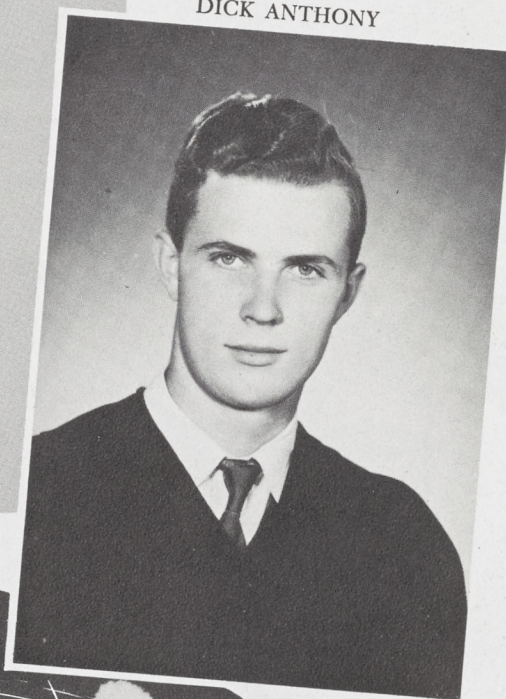

In the past year Varsity Football Night, the Civic Banquet, Parliamentary Dinner, and Varsity Guest Weekend were planned and executed by this committee in very commendable fashion.

UNIVERSITY ATHLETIC BOARD

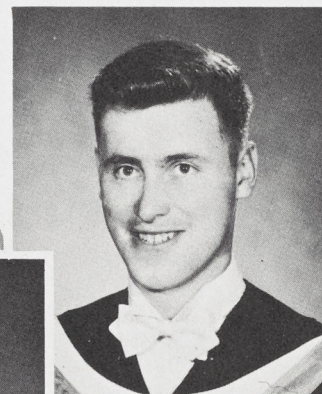

The U.A.B. is an organization that counts amongst its numbers three elected students and three faculty members. The main purpose of the Board is to supervise and control student participation in intramural as well as intervarsity athletics. Dr. M. L. Van Vliet, director of the School of Physical Education is chairman of the Board. The other two faculty members are Miss Pat Austin, Director of Women's Athletics, and Professor Porteous of the Electrical Engineering Department. The student members of the board are: Sandy Fitch, President of Men's Athletics; Fran Losie, President of Women's Athletics; and Ed Zahar, Vice-President of Men's Athletics.

Telephone Directory

HAROLD COWARD
Director

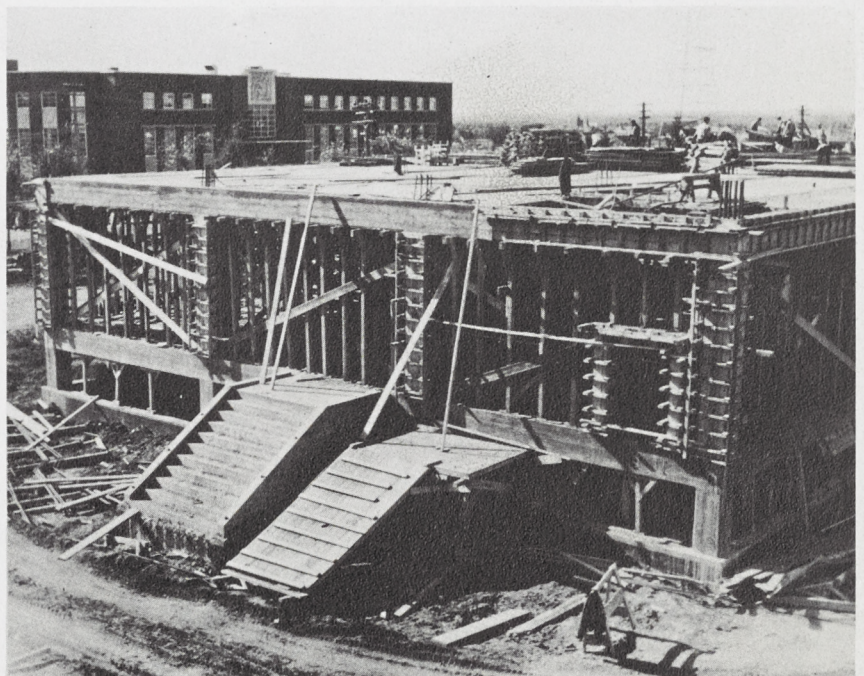

Left to right: Assistant Directors, Dick Kwong, Gord Stangier, Frances Fisher and Ken Glover

At the commencement of every full term activities must be started. Organizing means contacting people, and without a phone book our students' council, clubs and various committees would be at a standstill. This year Harold Coward, together with his hard-working committee, has risen admirably to the challenge of publishing a phone book; thus facilitating every aspect of campus life, from the week-end date to the machinery of campus business.

Hats off to the Telephone Directorate!

IN MEMORIAM

HARRY WALTER JONES

Born in Edmonton in 1935, Harry attended Calder Public School and Westglen High School. In 1953 he enrolled in Engineering at the University of Alberta.

At the time of his death, in August 1956, he had completed three years in Chemical Engineering, and was employed for the summer at Sarnia. Harry will long remain in the memory of those who knew him for his cheerful spirit and conscientious manner.

Engineers' Queen Campaign

The Engineers' Queen campaign was more spirited this year than it has been in a long time. The Artsmen managed to steal away two of their queens but their attempts were short-lived when the Engineers put on a frenzied effort to get them back. All in all it was a clean campaign with friendly rivalry between the faculties and a good demonstration of our growing campus spirit.

RAY ANDERSON

The time has come for "Farewell", and we say Farewell with jubilation, for we have looked forward longingly to the time when we would take our places in this world of opportunity. Yet, we say Farewell with somewhat misty eyes, for we remember fondly the new experiences and happinesses found within these Halls of Learning.

We are going into a world that desires and needs our skills, but we carry with us a heavy responsibility. Throughout our years at this University we have had the opportunity of learning to adapt ourselves to varying conditions. We have worked side by side with all kinds of people. This social integration has provided us with an understanding of many opinions and viewpoints, and better prepares us for a place in the leadership of our communities. The opportunity has been given to us, but now the responsibility lies upon our shoulders—the responsibility of taking our places in the community—to serve with understanding and humility. In the various fields of our endeavors, we will have the rare privilege of holding positions of trust, and we will deal with men's happiness, men's tribulations, and above all, men's minds. May we meet these responsibilities with courage and humility.

During years of study at university we have learned to reason, to draw conclusions, and to express ourselves. We have been given a background of knowledge, and how fortunate if it enables us to draw freely from a wealth of knowledge—if we can test our conclusions using the wisdom in what has gone before us as our standard—if we can weigh our ideas and ways of living while having ever present the writings of great men when they were inspired or sublime. Yet, the accumulation of knowledge, and the ability to express ourselves is for nought without the inspiration which provides the spark to ignite these abilities in concern for our fellow men.

We appreciate our Legislature for providing us with excellent facilities, and our parents for their assistance and encouragement. We will be ever grateful to our professors for their guidance, and for their concern of the practical problems that face us in our professional fields. Through their eyes we have had occasional glimpses of the elevated plane of new ideas, where for a brief moment we reached up to touch the stars.

As a result of our efforts and determination we have gained the prize—a University degree, but is it not true, as Monkton Milton wrote:

If what shone afar so grand
Seems as nothing in the hand
On again; the virtue lies
In the struggle, not the prize.

It is in the struggle that character is built, and a sense of purpose instils itself within our lives. The degrees that we have now attained are but a means of enabling us to carry out this purpose. For each of us there is a challenge to be met—the challenge for which our years of schooling have been a preparation, and the virtue lies in the struggle of successfully meeting this challenge.

We leave with the hope that we may serve our fellow men with true inspiration. Our fond affections will only grow with the passing of time for our fostering mother—our Alma Mater.

Ray Anderson.

Class History, 1957

In a short time we will be donning those black gowns and caps and with our degrees clutched in our hands will be waving our final goodbye to this university. A goodbye to classes and assignments, to Con. Hall rallies, drill-hall dances, campaigns, and most regrettable of all—a goodbye to many good friends. But with our departure we will be taking a bit of this university with us, for everything we have participated in has added something to our lives. We think differently, we act differently and we speak differently. Just how much we have changed is brought home to us at the beginning of each term when a new crop of students go through the same sorrows and joys that we once shared.

Do you remember Frosh Week when we first stood in line for hours waiting to get our coffee-tickets from the almighty Gold Keyers? And the upperclassmen in their impressive blazers standing in groups on the corners waiting to pounce on some poor innocent freshette for a coffee date? What a mad whirl that week was and then to top it off—the snake-dance! Of all the events that week the snake-dance brought the most enthusiastic and freest response from all corners of the university. We got a real taste of campus spirit that night! (At this point I can visualize several administrative frowns so therefore I will refrain from mentioning the disappointment we felt when the snake-dance was abolished the next year). Frosh week ended, we bought our textbooks, and started on another round of social activities. Remember our first real ball—the Wauneita formal—dark suits, rainbow gowns, and the drill-hall transformed into a beautifully decorated ballroom (at least in the eyes of the misty-eyed freshette)

Then suddenly the future looked very challenging but forboding—our first mid-term exams were coming. Here we started the fine art of cramming—the study light burning late into the night, black coffee, and for the more adventuresome—benzedrine. Some of us made them and some of us didn't, but it was a relief to all to know what they were like.

We gradually stopped kibitzing around and settled down to the real meat of university life—hard study. Most of us worked like little Trojans that first year—we were too frightened to do anything else. And the more we worked, the more we realized how ignorant we were. It was almost like starting grade one again. In classes we listened with a bit of awe to the wonderful new ideas our pedestal professors were disclosing to us. We accepted most of their thoughts—chaff and grain together—because we did not know how to sift them apart. If our old ideas conflicted with theirs then the old ones were dropped or changed. The university was a place of new learning and new truth.

During the second year we were much more level-headed. We had had a glimpse of what the university had to offer academically and extra-curricularly. Our powers of discrimination were much more acute—some of the chaff was being blown away. We took care in selecting our courses, our professors, and our social activities. There were many factors that guided our choice, but the important one was the striving for real intellectual and social stimulation. More of us started attending the Phil Soc. meetings, the film society shows, Mixed Chorus and Symphony Concerts. We continued to work like Trojans but this time in the extra-curricular field mostly. We gave back a little of what we had received during our first year by the work we put into welcoming the new Frosh, putting the Football parade back on the road, pitching in with Varsity Guest Weekend activities. Our roles were changing from that of spectators to that of participants.

The third year saw changes, too. We were a closer group—more intimate among ourselves and with our professors. Our bonds were fewer but stronger. As seniors we had gained the

EVANGELINE SCRABA

confidence and courage to play a third role—that of initiators. We had a good grasp of what the campus needed and what could be done. Mock Parliament was revived, but this time it was presented in a serious vein. With this new attitude both participants and spectators felt they had learned something that is vital to all citizens of any society—a knowledge of how the governing body operates. For the first time Varsity Varieties was directed by students and an effort was made to integrate the talents of students from most of the cultural organizations on the campus. The result was a quality show sparked with a lot of enthusiasm that made it a memorable performance.

We showed more freedom and daring in the activities we chose to instigate. The Engineers went so far as to change the traditional rivalry against their theoretical opponents into a living, fiery spirit as was evidenced by the shaven heads of a few unwary Artsmen. Secret rumors were being whispered that the Free Love Society might start again (unfortunately, this did not materialize). The Women's Judo Club came into its own, despite the dire Gateway warnings of what would happen to the male populace.

This last year will be our most memorable year, perhaps. Not just because we are graduating but primarily because so many notable things have happened. The Gateway won the Southam Trophy for the first time in the history of our university. Our debaters brought home the coveted McGowan Cup after twelve years of absence. The Golden Bears showed their supremacy in Western Intercollegiate meets by capturing the Hamber and Hardy Trophies. The Wrestling Club showed their best performance to date in the Assault at Arms at Saskatchewan. These kind of contributions are typical of the outstanding efforts of many students this year. One of the reasons for this new drive lies perhaps in the dynamic leadership of our students' union president and his council members. They have tried to spark student life by creating such groups as the Promotions Committee with its cheer-leaders, pep band, and drum-majorettes. That extra little push from council helped to set Stage 2 on its feet. They've done a good job and gained a new respect in the eyes of their fellow-students. Perhaps this is the reason for the tremendous competition that was carried on for council positions during students' union election week. Leaflet-dropping helicopters and licorice cigars yet! Have we ever had such an active campaign before? The ball has certainly started rolling in the right direction and we have faith that the new council will keep it that way.

In a short while we will be writing our last exams and will be giving that final handshake to our former pedestal professors who have now become understanding and helpful friends. We will be wishing each fellow graduate luck and hoping that our paths will cross often in the future. But since we cannot foretell fate let us appreciate the present. We are a group of young men and women who have had the privilege of receiving some of the highest training our society has to offer. A training that has given us the opportunity to find a meaningful place in society and to develop a greater understanding and appreciation of life. Let us not waste this opportunity.

LEADING THE THETAS
TO FIRST PLACE

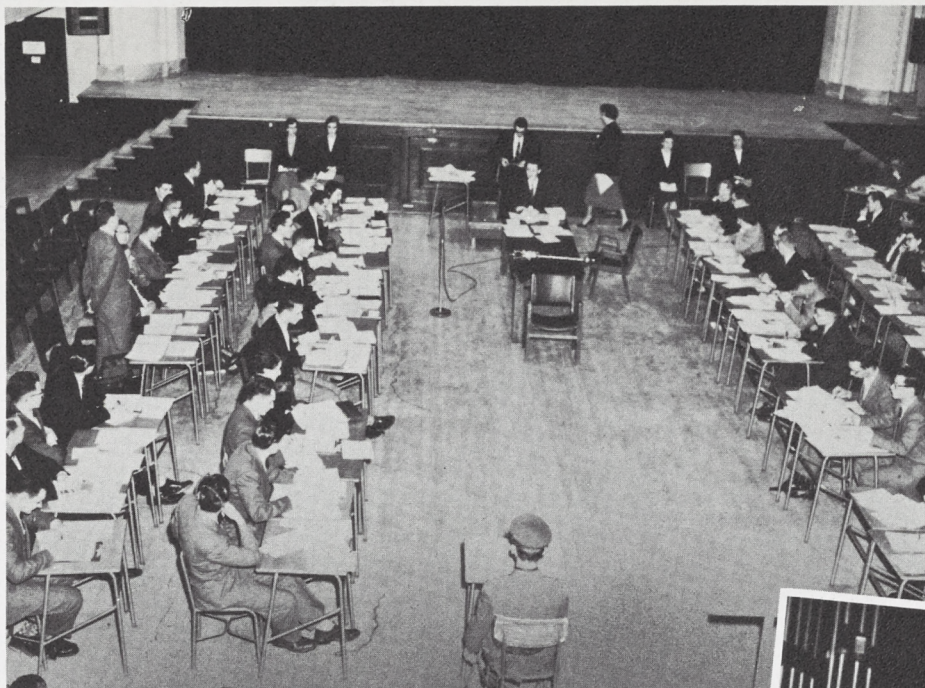

Song Fest

Delta Kappa Epsilon and Kappa Alpha Theta won annual fraternity honors at Song Fest this year. Phi Kappa Pi, perennial winners in this competition, lost to the Dekes by two points, while the DG's lost to the Thetas by the same number of points.

In men's competition Phi Delta Theta was third, Kappa Sigma fourth, Delta Upsilon fifth and Sigma Alpha Mu sixth. In Women's competition Delta Delta Delta placed third and Pi Beta Phi fourth. There was very little difference in point spread.

Harlem 'n Havre

Too many cooks spoil the broth.

The 1956-57 basketball season was initiated on November 19th against the colorful Harlem Clowns. Playing before a capacity crowd of one thousand fans at Varsity Gym, this year's edition of the Golden Bears displayed an imaginative and versatile game, both offensively and defensively.

Although defeated 55-51 in the opener, the Bears came back the following evening, forcing the skillful Clowns into an overtime session before losing 68-61.

On offense it was veteran "Storky" Tollestrup who led the Alberta scorers; defensively the tenacious checking of Don Monro stood out. The celebrated Clowns, renowned for their antics on the hardwoods, again produced an exciting brand of ball. Big (6'6") Bob Woods scored 28 points and led his troupe through a hilarious comedy routine.

	HARLEM CLOWNS		MONT.	WYO.	MAELS.
	55	68	61	57	68
ALBERTA	51	61	64	53	60

Over the Christmas holidays the Golden Bears accepted a proposal to participate in an invitational tournament embracing clubs from Wyoming, Montana, and Alberta.

In the past, American colleges have overwhelmed Canadian teams, but Alberta, in the series opener at the Havre Field House, upset the eventual tourney winners, Northern Montana State Teachers College,

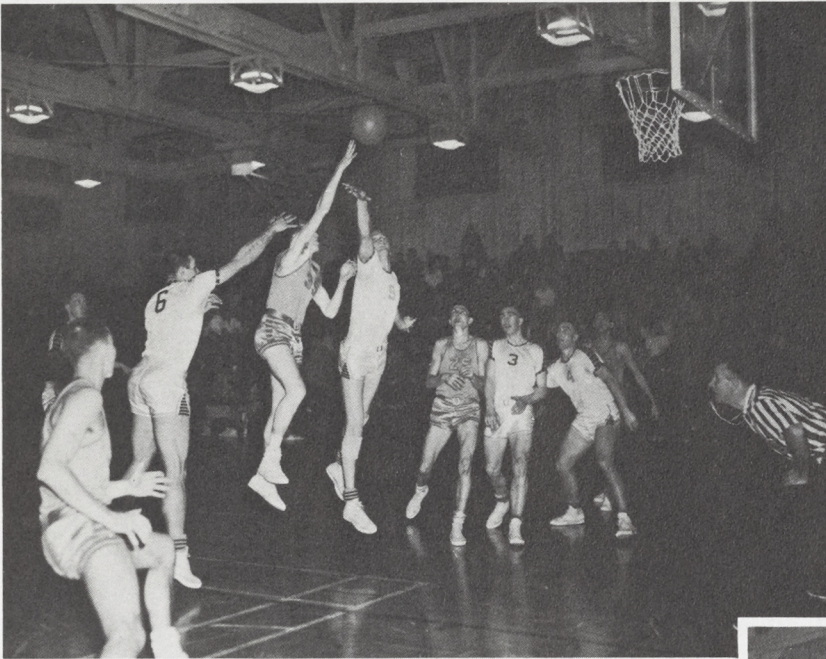

by a score of 64-61. In the remaining two games of the round-robin, Alberta was defeated 57-53 by Sheridan College, Wyoming and also by Maelstrom Air Force Base, 68-60. Al Tollestrup again was the Bear high scorer for the series. Wally McIntosh of the Calgary branch sparked the first night's victory with 24 points.

Playing standout basketball against strong opposition at Havre, the Bears indicated that they will not be left in the cellar position of the Canadian league again in '57.

Allah, where's dat ball?

Manitoba

Fast action against the Bisons

MUNRO pushes in two more points

Alberta's Golden Bears journeyed to Winnipeg the weekend of January 18-19 for the first two games of the series with the Manitoba Bisons. Manitoba won both games, the first 83-41 and the second, a game plagued with too many fouls, 77-52.

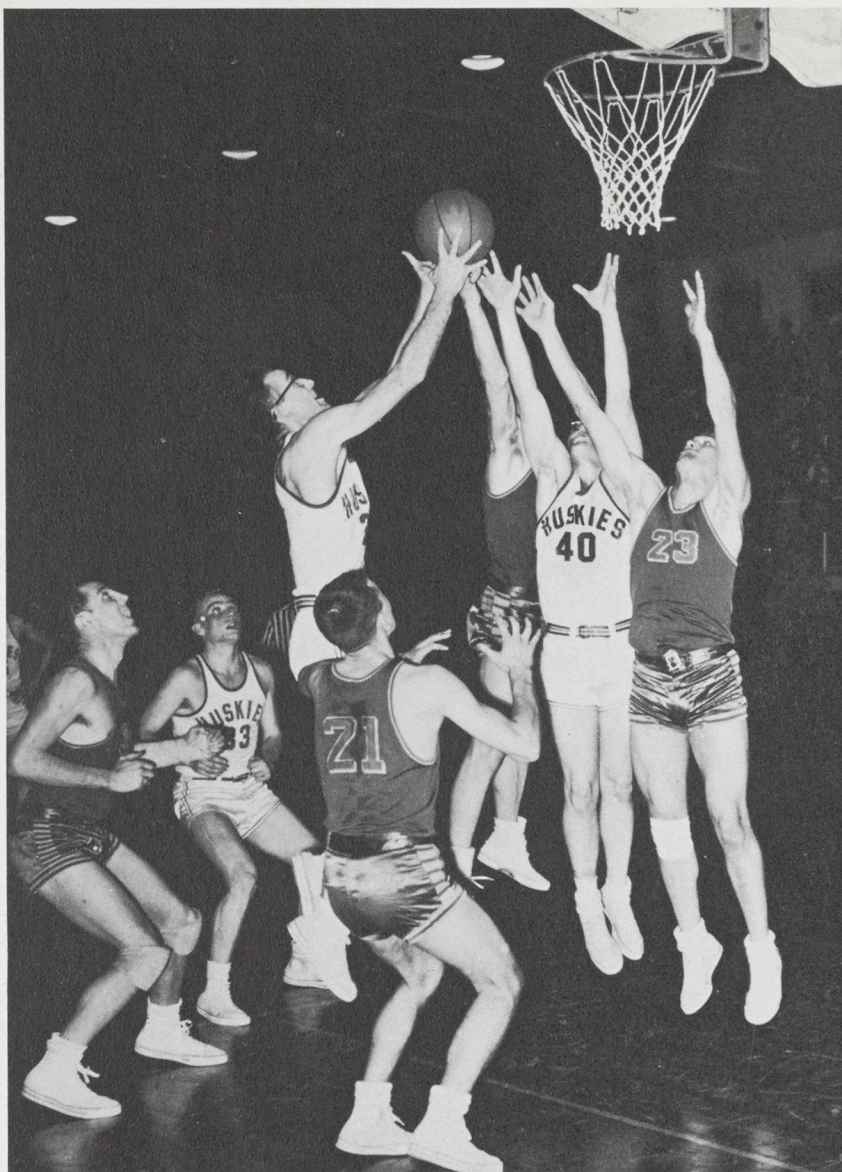

High scorer for the Bisons was center Jim Wright, but although expectations were high in the Manitoba lines, he did not manage to bring his college score up to the inevitable 1000-point mark.

Al Tollestrup was high scorer for Alberta both nights, even after acquiring a broken nose early in the first encounter.

ALBERTA	41	52	71	56
MANITOBA	83	77	70	64

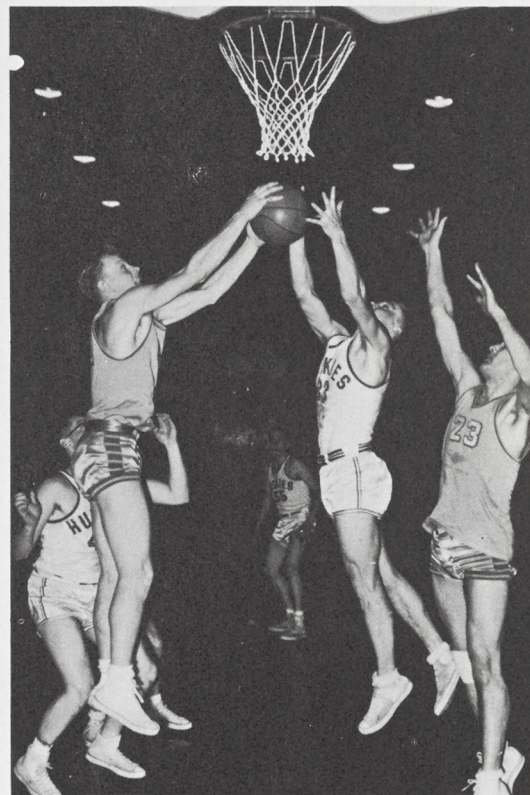

The Bisons' return trip to Alberta saw a much better and more exciting brand of ball played. The first game, played before a packed house, was fast and marked with brilliant shooting. Overtime was needed to give the Bears the win; the final score ending as 71-70. The second encounter on Saturday night saw a superior Bison team take the Bears, 64-56, although it was no less thrilling than the previous night.

Don Munro, in an outstanding performance, was high scorer on Friday with 26 points. Tollestrup matched his feat on Saturday, tying with Bison Jim Wright, for top scorer of the game.

Those Husky hands are big

Good rebounding by OSWALD

Saskatchewan

Playing before sparse crowds, the Golden Bears met the Saskatchewan Huskies in a two-game series the weekend of January 25th and 26th.

The first encounter at the Varsity Gym gave Alberta a 54-47 win. Al Tollestrup, Ron Ghitter and Don Munro were the top point-getters with 19, 14 and 10 points respectively.

The second game, played at the Vic Composite Gym, was won by the U. of S., 63-55, in a faster, more exciting match. Top scorer of the evening was Huskie Dick Stark with 26 points. Alberta's high scorer was Don Munro with 20 points.

ALBERTA	54	55	49	52
SASKATCHEWAN	47	63	51	67

Alberta, travelling to Saskatoon for the return match in March, was met by a tough, hepped-up Huskie team. Taking advantage of the injury-ridden Bears, the Huskies defeated Alberta two straight.

Tollestrup and McArthur were high scorers for the Bears in a losing cause on Friday night. The score was close but the Huskies outplayed Alberta to take the first encounter, 51-49.

The Huskies proved their superiority in the second game by whipping the Bears, 67-52. Tollestrup was lost for the remainder of the season with torn ligaments, but Ed Cook and Dave McLean took over the scoring, both netting 10 points for the Bears.

U .B. C.

The last action for the '57 edition of the Bears was with the U.B.C. Thunderbirds in early March. The 'Birds, who are in the Evergreen Conference, played a terrific brand of ball and thoroughly whipped the Bears in the series.

Friday night, Ed Cook led the Bears with 13 points, but could not match Olympian Ed Wild with 18 points, and Lyle Levy with 12, as the 'Birds won handily, 60-41.

The Saturday game was much closer until the second half, as Alberta's tight zone had the 'Birds bottled up. Then U.B.C. employed their famous "stall" to break the zone, completely outscoring the Bears, 58-29. Lyle Levy again led the Thunderbirds with 16 points and Ed Cook repeated his previous performance with 10 points.

GOLF

SANDY FITCH

RICK COLLIER

TEAM MEMBERS

Alex Bakay, Pat McCleary, Sandra MacLeod, Carol Evenson, Rick Collier.

This year's golf competition featured a clean sweep of both men's and women's events by Alberta. The matches were played over the Highlands layout, here in Edmonton, with low-aggregate team-score for 36 holes taking the honors. The Alberta women proved to be twelve strokes better than Saskatchewan's besting them 635-647. To complete the sweep, the men's team, led by Rick Collier with a 36-hole score of 152, bettered their Saskatchewan counterparts by 19 strokes 483 to 503.

PAT McCLEARY

CAROL EVENSON

SANDRA MacLEOD

TENNIS

In an attempt to avenge last year's defeat at the hands of U. of S., the Alberta "racqueteers" of '56 were robbed in their quest for victory on the tennis courts, as it was later exposed that several of the judges had jail records and were susceptible to bribes. However, Alberta "copped the duke" in two of the nine events, par for the course in consideration of the insurmountable odds in their disfavor.

Seriously, it was a finely conditioned Saskatchewan team which took the play from the U. of A. athletes who did not adapt themselves as well to the inclement climatic conditions. Playing on the wind-swept courts of Edmonton, Alberta was only able to salvage one singles game and one mixed doubles match.

MEMBERS OF THE TEAM

Back row: Ron Gitter, Judy Walls, Hugh Edgar.
Front row: Marg Whelihan, Dale Jackson, Eileen Nicol.

CROSS-COUNTRY

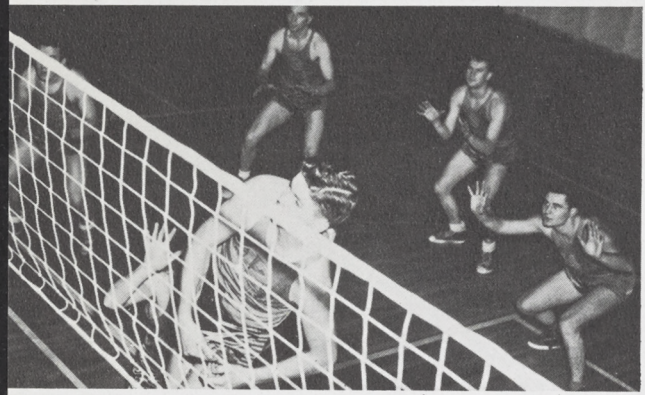

Racing the 3½-mile course at U. of S. in cold October weather, the U. of A. CROSS-COUNTRY TEAM took the top placings to win for the 3rd consecutive year. Competition was between the three Prairie Provinces, and Alberta's runners took 3, 4, 5, 6, and 10th positions to make the lowest "place" total for the victory.

MEMBERS OF THE CROSS-COUNTRY TEAM

Standing, left to right: Henry Glyde, Coach, Herb McLachlin, Frank King.

Kneeling, left to right: Don Gill, Vic Sartor, Pete Coldham.

VOLLEYBALL

Alberta's team in action

Members of the team, left to right: Bob Klmkowych, Dave Michelson, Keith Carter, Dick Holmes, Bill Fisher, Lorne Thompson, Bruce Perrin, Ed Kumish, Cal Cseuz.

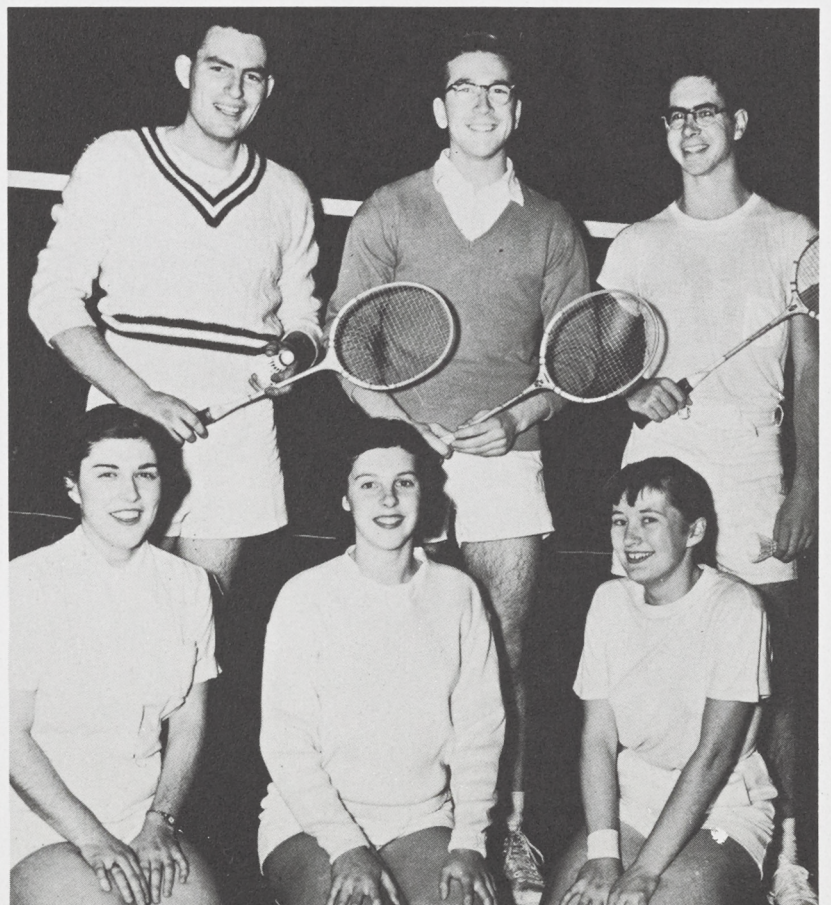

Alberta's eight-man Volleyball Team in Winnipeg for the late November Badminton and Volleyball Tournament, was overpowered by the squads from University of Manitoba and the University of Saskatchewan. Coach Al Affleck hopes to increase interest in the game on our campus, and make Alberta a strong contender next year.

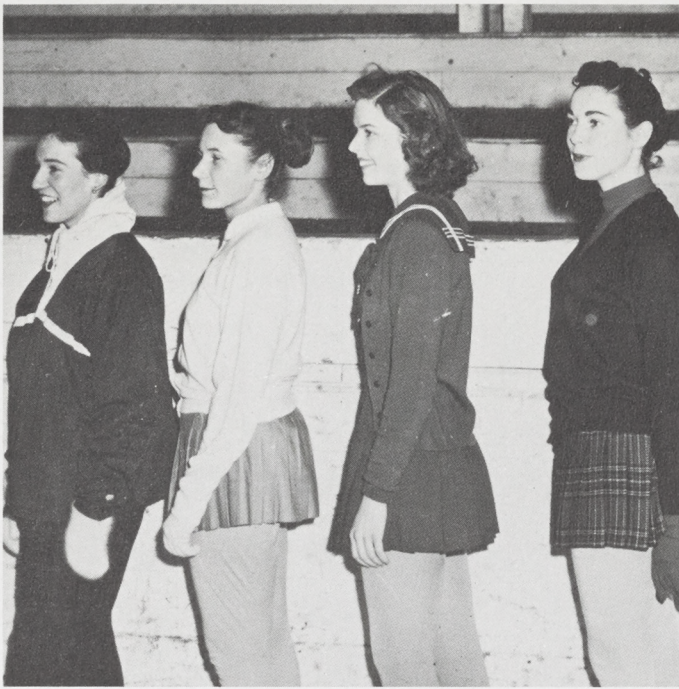

BADMINTON

Badminton competition brought the O. J. WALKER TROPHY to Alberta for the third consecutive year. The tally was 12 wins and 5 losses for the U. of A., against U. of M. and U. of S. In the doubles finals, HUGH EDGAR and JIM McDONALD defeated the Manitobans 15-10, 15-8, and 15-7, in a comeback, to cop the title.

ALBERTA'S BADMINTON TEAM

Judy Carins, Eileen Nicol, Wendy Foster, Dennis Horne, Jim McDonald, Hugh Edgar.

SKATING

Alberta's Women's Figure Skating team came home victorious from a weekend competition in Saskatoon late in February.

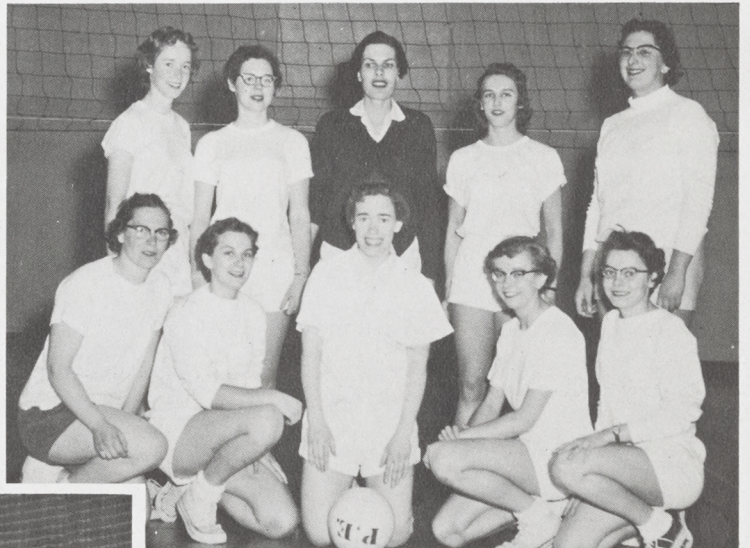

Noelle McVey led the skaters by winning the senior figures and senior solo classes. Elaine Whelihan took both events in the intermediate class while Rosemary Hall and Barb Beddome teamed together to win the senior pair competition.

The girls, by gathering an impressive score of points in these events, returned the Irving Kline Trophy to Alberta's campus.

Coach Jean Armstrong, Elaine Whelihan, Marguerite McGregor, Barb Beddome. Missing: Noelle McVey and Rosemary Hall.

VOLLEYBALL

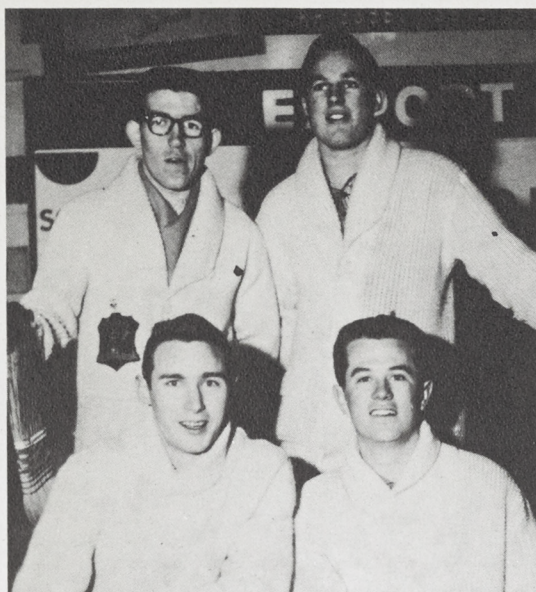

The Women's volleyball team also made the trip to Saskatoon, but were returned on their shield, not carrying it. The girls split the series with Manitoba, one game apiece, but dropped both games to Saskatchewan in hard-fought battles. The Sam Landa Trophy, awarded each year, was returned to Saskatoon for another year.

Team members, left to right, back row: Judy Walls, Barb. Johnson, Miss Austin, Donna Heustis, Phyllis Craig. Left to right, front row: Marie Hendrickson, Jean Harvie, Betty Fisher, Sylvia Shaw, Darlene Albiston.

They didn't practice long enough

CURLING

The WCIAU curling trophy went to an undefeated Saskatchewan team again in '57. Manitoba, Brandon, Alberta, and other entrants all tied for second place with 1 win and 2 losses each. Alberta's rink, under skip Al Odynsky, dropped their first game to Brandon 8-6, but bounced back to defeat Manitoba, 10-7. In the Alberta-Saskatchewan final, the score at the end of 10 ends was tied, and Saskatchewan, in the extra end, counted 1 point for the win and the Intervarsity championship.

U. of A. Curlers: Al Odynsky, Merv Lloyd, Dave Ross, Dale Jankowski

WRESTLING

This year's Wrestling Club headed by Bernie D'Aoust, held numerous meets with formidable opponents, including Montana, Calgary and Saskatchewan. The wrestlers made an excellent showing by winning the majority of their bouts and especially in defeating Saskatchewan for the first time in five years to win the WCIAU trophy. The winning team included, Cornel Filipchuk, Bernie D'Aoust, Hardy Davis, Herman Dorin, Al Boykiw, and Jack Parkinson.

Tryouts for Assault-at-Arms

RIFLE CLUB

The U. of A. Rifle Club, fast gaining recognition on the campus, competed in two major shoots this year. In the Western Canadian meet, Alberta edged Manitoba by 10 points to win when U.B.C. defaulted. Top scorer of the shoot was Jim Carroll. In the Dominion shoot, unofficial results place U. of A. second in a field of five. Once again Jim Carroll proved his marksmanship by taking top place across Canada with a near-perfect score. These wins in '57 leave the rifle team with only two losses in three years of active competition.

Alberta's marksmen: Jim Hamilton, Jim Carroll, Cliff Hanson, Dave Mitchell

SKIING

AMERICAN
JUMPER
IN ACTION

U. of A. SKIERS

Back row, left to right: Irvin Servold, Harold Whyte, Coach Gord Morrison, Pete Coldham, Don Gill. Kneeling, Bob Wilberg and Rolf Lund.

IRVIN SERVOLD, CROSS-COUNTRY WINNER

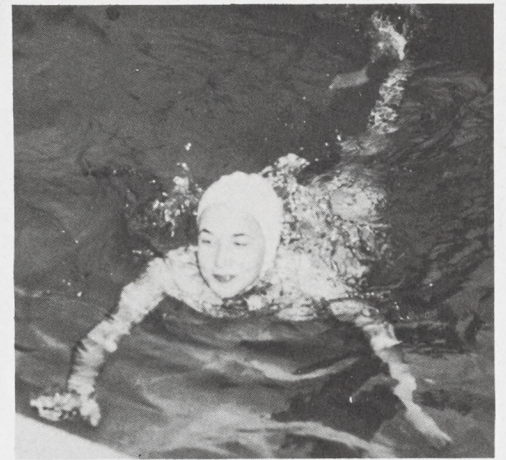

This year's ski team, coached again by Olympic competitor Gord Morrison, could do no better than gain a sixth place finish in the eleventh annual International Ski Meet at Banff. Ten colleges competed in the Alpine and Nordic events, with the powerful University of Washington team taking top honors. Alberta's Irvin Servold, another Olympic competitor, took the cross-country event only eight seconds ahead of Eirik Berggren, who was skiing for the University of Idaho. Pete Coldham, Bob Wilberg, and Don Gill competed in all four events, but failed to retain the second-place standing which Alberta won last year in this meet. Harold Whyte and Harry Koschel comprised the Alpine Team while Rolf Lund entered the Nordic events. As in other years the big difference was spelled out in the form of several Scandinavian students who annually attend the American colleges competing on "ski" scholarships. This, and the good practice areas readily available to the American schools has proven time and again to be too much of a block for Alberta's competitors to overcome. Alberta's skiers also suffer in the financial department in comparison to their American counterparts, but despite these handicaps, coach Gord Morrison has high hope for better things to come for Alberta in the future, —ski-wise, anyway.

THE GIRLS' SWIM TEAM

Donna-Lynne Rundle, Judy Phillipson, Joyce Gibson, Barb Taylor, Ann Stewart, Donna Jackson, and Dawn Percy.

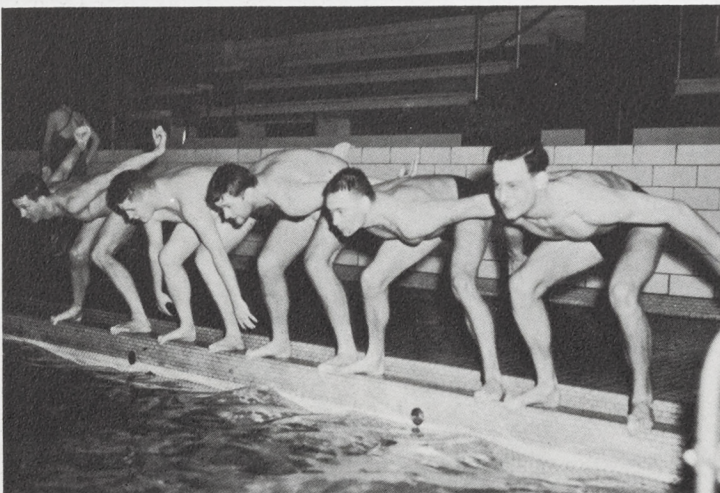

U. OF A. MERMAID PHILLIPSON

SWIMMING

U. of A.'s splash-men again went down to defeat at the hands of a superior Saskatchewan team. Alberta's only bright spot was Howie Boyd, who won both the 220 and 440 freestyle races. Norm Hamilton and Jack Leavitt placed second in the backstroke and butterfly respectively, while Tim Myers was a close runner-up in the diving competition. Other members of the team were Jim Logan, Philip Dupre, P. J. Clooney, Ted Perin and Trevor Regren. In addition, Saskatchewan ran away with all the relay races, thus retaining their domination of the challenge swimming trophy.

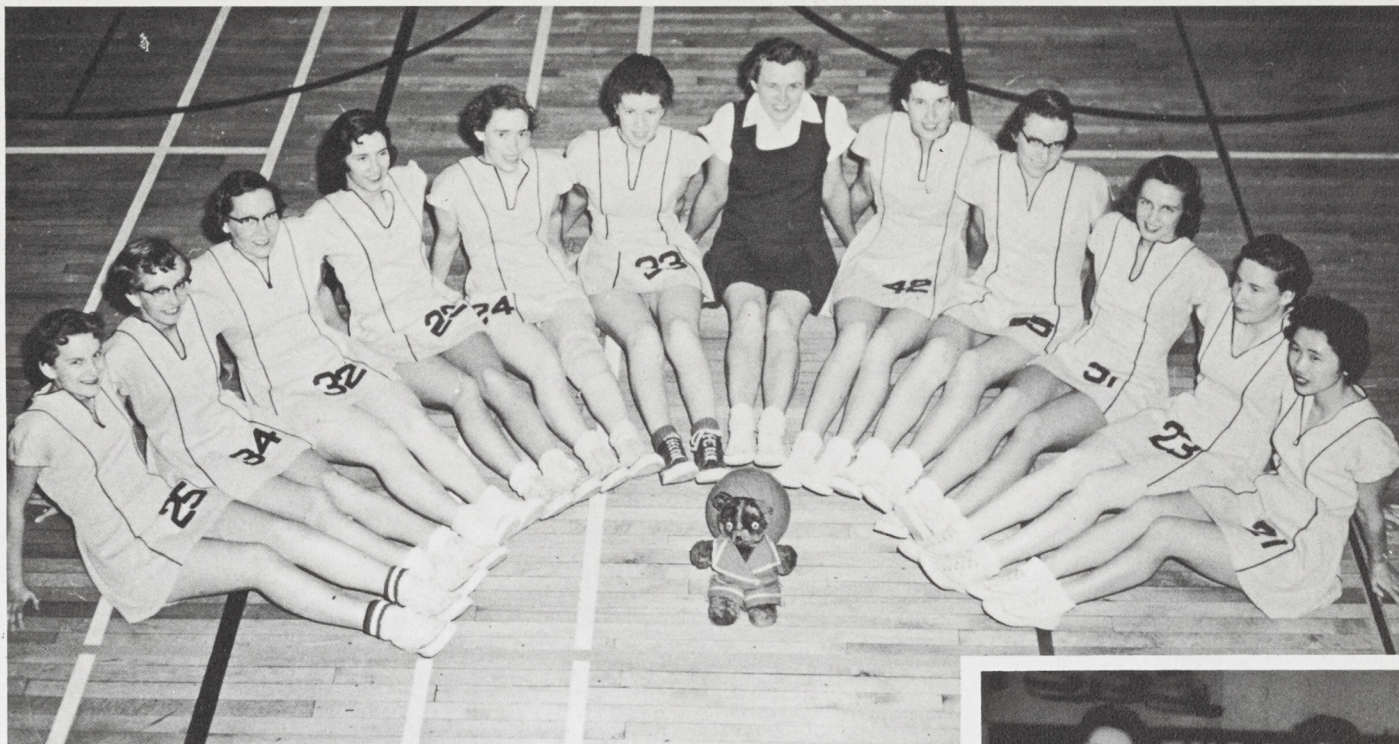

The girls' team fared no better, being completely out-classed by the Saskatooners. Joyce Gibson, however, managed to win the diving championship; Joyce Aylen and Ann Stewart retained the synchronized swimming trophy for Alberta with excellent showings in this event. Aylen again won the individual WCIAU trophy for synchronized swimming by placing first in the figures and solo. In future years, when our own pool is completed, the swim teams should give much stiffer competition to Saskatchewan swimmers.

A practice session for Alberta's swimmers.

Time trials for the men

PANDA BASKETBALL TEAM

Left to right: Jean Harvie, Sylvia Shaw, Mary Hendrickson, Nora Welbourne, Betty Fisher, Lorraine Adams, Coach Anderson, Loretta Hoffass, Bev Coward, Donna Heustis, Pat McCleary and Joyce Yamamoto.

WOMEN'S WEEKEND

For the second straight year the University of Saskatchewan Huskiettes took the Cecil Race Trophy, symbolic of intercollegiate women's basketball supremacy. In the round robin tournament held in early February in Edmonton, Manitoba was defeated by both Alberta and Saskatchewan. The game that counted most, though, was the Alberta-Saskatchewan affair, and in that one the Pandas came out on the short end of a 35-21 score. The Huskiettes showed a distinct advantage in both height and shooting ability, which proved to be too tough a nut for the Pandas to crack. Especially outstanding was the play of Sandra Therrien of the Huskiettes, who was spark-plug of the Saskatchewan team. The sterling play of Bev Coward and Jean Harvie was not enough to overcome the high-powered Huskiettes, but the Pandas went down fighting in a losing cause, and displayed a crowd-pleasing brand of ball to the satisfaction of all present.

The other highlight of the weekend's activities was the Women's Inter-Collegiate Curling competition. Here again, Saskatchewan was the dominant factor, and after taking 6-5 and 8-7 wins from Manitoba and Alberta respectively, the Huskiettes were home-free with a clean sweep of this year's Women's Athletic Weekend. Alberta downed Manitoba 9-6 and took the Huskiettes to extra ends before going under, 8-7. The Barb Beaton-skipped rink from Alberta put up a very creditable showing but when the blue chips were on the line, the Huskiettes were not to be denied.

HUSKIE NETMINDER in a familiar position

Saskatchewan

The Golden Bear pucksters started their defence of the Hardy Cup with two resounding wins over the Saskatchewan Huskies here in Edmonton. The lighter, thinly manned Huskies were overpowered 16-2 in the first game by the powerful Bears, led by Vern Pachal and Don Kirk who set up plays and scored almost at will during the game.

The second game of the Edmonton end of this home-and-home series was almost an exact repeat of the first. The Huskies opened more strongly than the previous night but soon wilted under the constant pressure of an unrelenting Bear attack which was not to be denied. Kirk, Pachal and Bill Masson led the Bear pointgetters who had another field day as they rattled eleven goals past the overworked Huskie netminder. The only Huskie goal came on a break-away early in the first period, after which the Bears took complete command and quickly put the game on ice.

SASKATCHEWAN	2	1	ALBERTA	8	6
AT			AT		
ALBERTA	16	11	SASKATCHEWAN	5	4

The following weekend the Bears journeyed to Saskatoon to round out their home-and-home series with the Huskies. A combination of "road-trip jitters" and perhaps memories of the previous weekend's games showed up in the play of the Bears as they were extended to a greater degree by the Huskies, but finally won by a score of 8-5 in the first game. Vern Pachal was top point-getter for the Bears again with Bill Masson and Ted Scherban following close behind.

The fourth and last game with the Huskies this year proved to be the closest of the series. The Huskies seemed to have gained considerably in confidence and conditioning and were a much better team than they had been previously, but were still no match for the Bears, even though they weren't "up" for the game. With Vern Pachal, Ted Scherban and Stu Hall leading the way, the Bears struggled to a 6-4 win and boarded the train for Edmonton, greatly relieved to be through with the Huskies for this year.

Bears' second series in Hardy Cup competition proved to be little more than a good shooting drill as they took

MacDONALD reaches while McGHEE and KIRK watch

A potent one-two punch, KIRK to PACHAL, a familiar sight to opposing goalies

Brandon College

on Brandon College Caps for two games here in Edmonton. After a slow first few minutes in the first game, Bears found the range and pumped in goals at will, romping to a 16-2 win in the first game. Sharp-shooting Bill Masson pumped in five goals to lead Bear scorers, while Stu Bailey added three and Kirk, Pachal and McGhee notched a pair each. Stu Hall and Ted Scherban rounded out the scoring. The second game in Edmonton was pretty much a repeat of the first, as Bears piled up 17 goals while Caps replied with only 2. Masson again led with seven markers while Kirk put in five. The other five were spread over five players, McGhee, Fontayne, Hall, Pachal, and Hetherington.

BRANDON COLLEGE	2	2	0	2	TOTAL 6
CAPS					
ALBERTA GOLDEN	16	17	11	21	TOTAL 65
BEARS					

Bears arrived in Brandon for their final two games with Caps after having done battle with Manitoba Bisons in

Winnipeg. The effects of the trip seemed to be negligible as they waltzed to an 11-0 victory in the Brandon Arena. Though not hard pressed throughout the game, goalie Jack Lyndon earned his shutout, rising to the occasion on several rushes as Bears took the majority of the penalties handed out. At one time Bears played with three men and at the same time found time to score on the Caps. Again it was Masson leading the way with three goals while Bob McGhee checked in with two and Pachal with two. Don MacDonald, Les Zimmel and Bruce Millar rounded out the Bear scoring.

The second game in Brandon proved to be the one in which Bears hit the magic number twenty, as they romped to a 21-2 triumph. Scoring was well distributed with Stu Hall, Bill Masson and Ted Scherban potting four each. Vern Pachal shoved in three, while Pete Conellan notched two, and McGhee, Sorochuk, Zimmel and Hetherington each scored once. Both these games featured a lot of rough play and a great deal of self-control was exercised by some of the Bears in not blowing their tops, for they certainly had plenty of provocation.

UNDEFEATED WESTERN INTER-COLLEGIATE CHAMPIONS

Manitoba

The Manitoba Bisons were expected to give the Bears the stiffest opposition of the season and so Coach Smith had the boys really up for the opener in Winnipeg. Bears showed the effects of the train ride and a two-day layoff as Bisons dominated the play during the first period. After a short breather Bears began to find the range and their legs as they out-played the tiring Bisons and finally evened the score at the halfway mark in the period. From then on it was just a matter of how much time and how many goals as Bears rapped in two more in the sandwich session and then proceeded to pump in ten unanswered goals in the hectic third period. Scoring was fairly evenly spread around as Bears gave out their finest team display of the year. Captain Bob McGhee chose this occasion to pick up his first "hat trick" of the season while Vern Pachal, Ted Scherban, Bill Masson and Dennis Fontayne each notched a brace of goals. Ed Sorochnik and Ray Sawka rounded out the scoring.

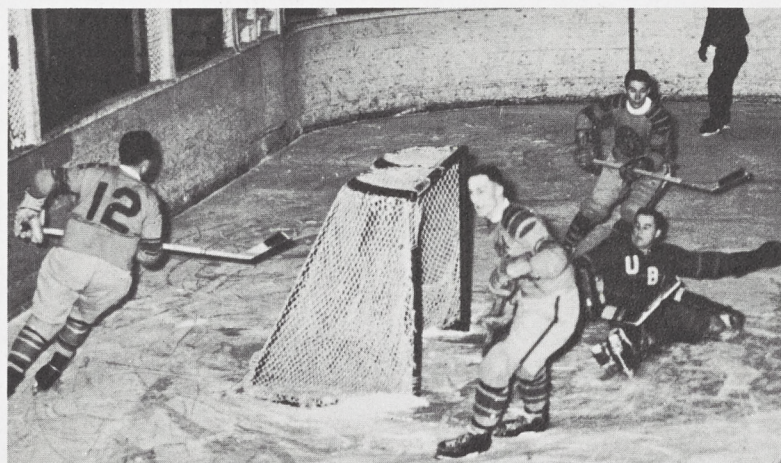

The second game in Winnipeg saw the Bears come out and pretty well take command from the start, as they pushed in three goals in the initial period and then

drew steadily away, putting in five more in the second and four more in the third. Scoring was again well split over the whole team as eight different players potted goals in all. High scorers were Stu Hall and Les Zimmel, who each got a "hat trick" while Bob McGhee, Bill Masson, Ed Sorochnik, Bill Wintermute, Ross Hetherington, and Pete Connellan each checked in with one marker. The two return games which the Bears were to have played against Bisons in Edmonton had to be cancelled because of poor ice conditions and the lateness of the season. These games were to have been a part of Varsity Guest Weekend, but when warm weather set in, Varsity Rink became unusable and several thousand visitors to the campus were deprived of seeing perhaps the best Collegiate hockey team in Canada, something which certainly should not be allowed to happen again.

Final W.C.I.A.U. Standings					
	GP	W	L	T	Pts.
ALBERTA	10	10	0	0	20

McGHEE and ZIMMEL on the doorstep

SOROCHUK takes the "big swing" while PACHAL and MASSON work the puck into the net

British Columbia

Bears tangled with the Thunderbirds in a two-game, total goal series for the Hamber Trophy, and for the seventh consecutive time were successful. The first game played in Edmonton was a rugged, hard-checking affair which saw the referees hand out twenty-one penalties. The Bears came out of this first contest with a one-goal lead in the series, winning 4-3. Alberta scorers were Kirk, Zimmer, Sorochuk and Wintermute.

U.B.C. THUNDERBIRDS	3	4	TOTAL 7
ALBERTA GOLDEN BEARS	4	8	TOTAL 12

Golden Bears took control from the start in the second game and were never headed. Led by two goal efforts from Stu Bailey and Don Kirk, Bears led 4-0 after the first period and pulled steadily away from Birds from then on. This game was somewhat cleaner than the first, with only thirteen penalties being handed out, but once again Alberta took the lion's share. Zimmer, Kirk, Sorochuk and Masson rounded out the Alberta scoring, as Bears wrapped up the series with comparative ease.

PHI DELT'S WINNING FOOTBALL TEAM

Back row: John Alexander, Jack Lyndon, Len Ross, Bob Brawn, Crawford Smith, Frank Patton, Bob McArthur.

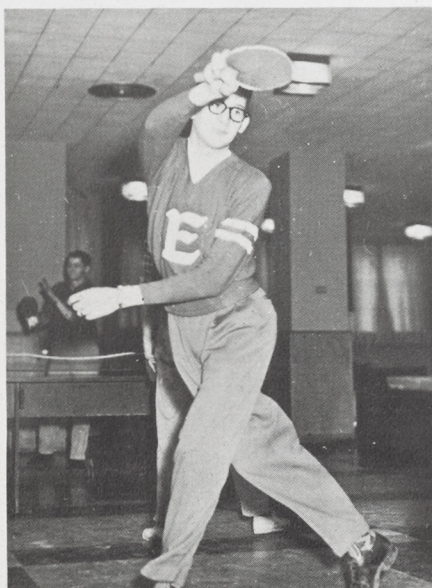

Front row: Jack Sprague, Graham O'Connor, Dennis Lawson, Cy Ing.

MEN'S INTRAMURALS

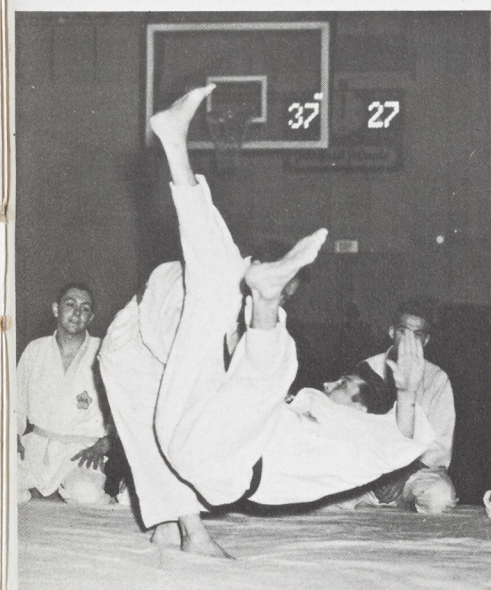

The men's intramural athletic program drew to an exciting close for 1957 with the last whistle on the court of the final basketball game. Phi Kappa Pi once again displayed their athletic prowess in retaining the Henry Singer trophy. The Phi Kaps, who won the golf tourney, cross-country and Frontier-Day, amassed a total of 1,140 points for participation, to edge ahead of Kappa Sigma, surprise winners of the basketball. The Kappa Sigs garnered a total of 1,080 points and the the dark horse of the '58 season. In third place was Phi Delta Theta, with

1,005 points, with a win only in football which they have dominated since its beginning. Herb McLachlin, program director, hopes to have a more varied schedule of events in following years with the construction of the proposed gym.

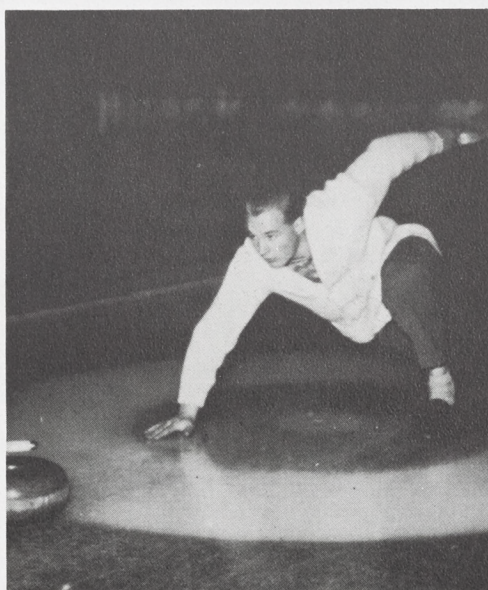

Individually, Sandy Fitch was recognized as the Intramural athlete of the year, for his win in golf and participation in all other events. He was awarded the Motor Car Supply Trophy for the second time.

Too many hands

Tryouts for the curling team

Close action in the finals

Cross-Country

The intramural cross-country race this year was held on a warm Saturday in October. Well over 200 entries were received, but the number who finished the whole course is doubtful. It was estimated at about 35. FRANK KING, a cross-country team member for 3 years, once again won the endurance test in near record time.

WOMEN'S INTRAMURALS

TRACK

Although the boys couldn't take the cold weather, the girls managed quite successfully to hold their track meet on a sunny Saturday. The Phys. Ed. team, led by Donna Heustis, Sally Bishop and Barb Haysom, romped to victory with 80 points, enough to slip ahead in quest of the Rosebowl Trophy. Nurses garnered 65 points, followed by the Thetas, Pi Phis, and Education tied for third with 50 points.

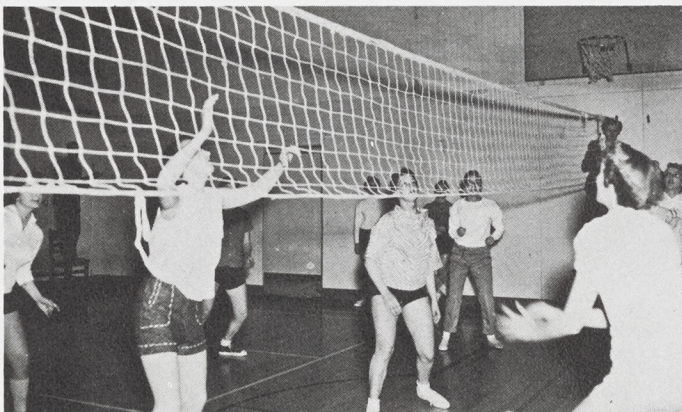

THETA'S WINNING VOLLEYBALLERS

Lorie Hodgson, Rosemary Hall, Barb Wilson, Alida van Dusen, Sheila Chappel, Sylvia Shaw, Barb Beaton, Carol Nicholl.

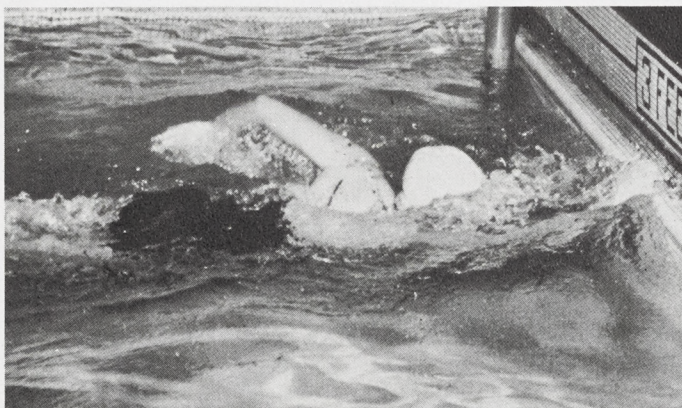

The Rose Bowl, awarded for women's Intramural sport supremacy, was won by the Phys. Ed. unit in '57. Eight competitions running throughout the school year, starting with golf in the fall and ending with broom-ball, highlighted the season's sports. Phys.-Ed. gathered 645 points in the events, closely followed by Kappa Alpha Theta with 635, and the Tri Deltas with 420 points. Sheila Chappel was awarded the J. M. Johnson trophy for the greatest participation in girls' intramural sports. As the scores indicate, the Rose Bowl was closely contested between the women, with the broom-ball finals deciding the eventual winners, and providing an exciting finish to another year of sports.

**BLOCK
"A"
CLUB**

AL TOLLESTRUP
Basketball

The Big Block A Club is the honorary men's athletic society on the campus, membership in which is the highest athletic award at Alberta. Membership is awarded on the basis of prolonged outstanding ability and good sportsmanship in intramural sport or in an intercollegiate sport.

The Club's aim in addition to presenting sweater and ring awards to its members, is to foster and promote athletic endeavors, both on and off the campus. In addition the Big Block A Club sponsors two of the most popular social attractions on the campus, the annual "Freshie Queen" and Color Night.

The main venture of the Household Economics Club was its annual fashion show. The girls modelled garments from Edmonton's leading stores. The House Ec'ers contributed to campus life by sponsoring a candidate for Mardi Gras, entering a float in the football parade, donating blood, looking after costumes for Varsity Varieties, and setting up displays for Varsity Guest Weekend.

For the first time Education students majoring in House Ec. were admitted to the club.

Although the Physiotherapy Club was organized only three short years ago with eighteen members, the membership has grown to thirty-eight. Seventeen of these members are in the graduating class of 1957.

The first year the club was on campus they won the cup for 100% donation at the Blood Donors' Clinic. Last year was even better with 104%.

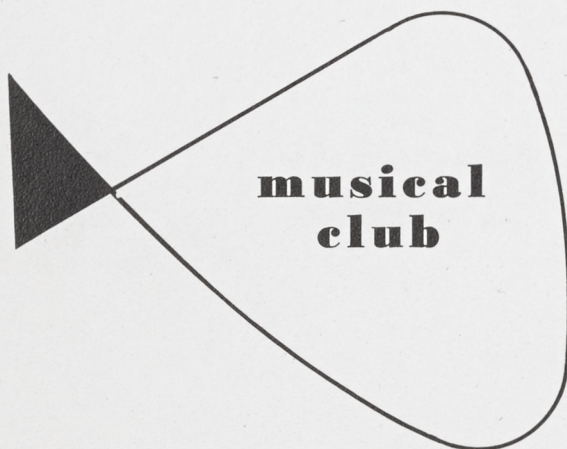

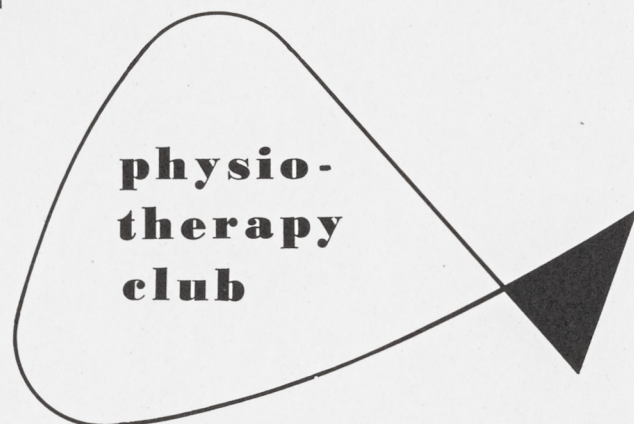

The Physiotherapy Club held a seat with the Liberal Party at the first Mock Parliament session last year.

At the beginning of each term, the graduating class holds a coffee party for the purpose of becoming acquainted with the first year students.

Sportswise, the Physio Club is very active with basketball and volleyball teams, and also aspiring contestants in the annual track and field meet.

The Arts and Science Undergraduate Society started out a busy year with their Annual Tea Dance which they use to welcome the Frosh. Their other activities included the Mardi Gras Dance, the only costume ball held on the campus. During this time a King of the Campus is elected by the various girls' organizations.

Activities of the year included Tea and Initiation for Phys.-Ed. Freshman, float entered in Varsity Football Parade, Sock Dance in the Varsity Gym—"Jungle Jeopardy", Graduation Banquet and Dance, and participation in the Intramural sports program.

 Treasurer: Ron Brownlee

agricultural club

Well known to the campus is the hectic Bar-None dance where the entire Agriculture Club goes all out. An equally important function is the Ag Formal held annually at the Macdonald Hotel. This year, for the first time, the Aggies held a mixed party at Baroni's tea room. Then to round out the season the Aggies have a smoker (men only), several mixed parties with the House Ec. Club, their own debating club, and a display on Varsity Guest Week-End. Activity is the keynote of the club.

education undergrad society

"We Go Pogo"

The Education Undergraduate Society is one of the largest and most energetic undergraduate bodies on the campus and for many years has been active in both campus and faculty activities. The E.U.S. attempts to facilitate all students in the faculty by sponsoring a varied program throughout the year. Our itinerary includes professional, social, and sports activities.

PROFESSIONAL ACTIVITIES consist of student assemblies every Thursday and student-faculty nights once a month. The purpose of these meetings is to develop an attitude of professionalism toward the teaching career and to

Education Banquet

introduce the students to prominent people in our profession.

SOCIAL ACTIVITIES include the annual "Pogo" and "Quarter" dances, the graduation banquet and dance and one or two smaller dances as well as several coffee parties.

SPORTS ACTIVITIES consist of maximum participation in the intramural programs, an inter-mural program and the annual exchange with the Calgary branch of the faculty.

The 1956-57 executive would like to express their thanks to all the students who have helped to make our year such a success.

Mixed Chorus

EXECUTIVE

President: Bob Roberts
 Secretary-Treasurer: Sonja Gotaas
 Business Manager: Hugh Nuttycombe

by CANTELON

The musical year at the University of Alberta received great impetus from the activities of the University's Mixed Chorus. It was the thirteenth year of concerts since the chorus' organization in 1943-44.

The program began with a "Mis a Brevils" by 16th century G. P. da Palestrina. It ended with a cantata, "In Windsor Forest", by the 20th century composer Ralph Vaughan Williams. This selection was accompanied by a small chamber orchestra consisting of two violins, viola, cello, flute and piano. Several of the V. Williams arrangements of folk-songs were also sung. Johannes Brahms and Benjamin Britten were among the other composers represented on the program.

Following a precedent set by last year's chorus, the 1956-57 group complemented its regular three day series of Edmonton concerts by singing outside Edmonton, this year at Sangudo, Westlock and Athabasca, for the last three nights of the concert week. Later in February Thorhild was visited and a concert for the CBC was recorded towards the end of the month. The annual "Overtown" March concert ended the chorus' activities during the academic year.

However, plans for the spring tour of Northeastern Alberta, to take place in May, were nearing completion at the time of writing. This tour, which brings choral music to those centres of Alberta which are even more outside the stream of cultural activity than Edmonton, is the University's official message of goodwill to the people of the province. Stettler, Camrose, and Cold Lake are only three of the towns the chorus will visit on the 11-day ramble.

Thirteen years of singing have seen many changes in the U. of A. Mixed Chorus. Its 1957 membership more than doubled the 70 or so who were its original members. These 13 years have seen the chorus develop into the largest, most active group on the campus. Such activity and the chorus' widespread popularity more than justify its social and cultural aim, to provide amateur singers with an opportunity of studying and performing great choral works, under the leadership of a man whose knowledge of music is second only to his knowledge of that peculiar incarnation of incipient maturity, the university student.

drama society

Al Sheppard, Greta Garrison, Don Harris, Mary Macdonald, Mel Rude.

The Drama Society completed a successful program again this year. The major project was the Interfaculty Play Festival held in February, with Arts and Science, Nurses, Physiotherapy and Education entering one-act plays. In addition the Drama Society presented a radio play, "The Hitchhiker" over CKUA and produced a one-act play "Pyramus and Thisbe". Plans were concluded for the exchange of a three-act play with the University of Saskatchewan, and it is hoped that this exchange will take place early next year. Other activities included off-campus speakers, makeup demonstrations and play-reading groups.

IN THE WARDROOM FOR A SING-SONG.

Staff

Commanding Officer—LCDR. R. Van Alstine

Surgeon LCDR. M. Williamson, Chaplain II J. McGraine,

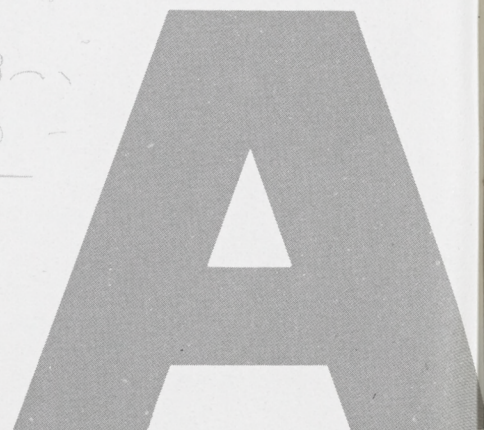

Lt. L. Cottrell, Lt. T. S. Millman, Lt. (S) E. R. Schwarz,

S/Lt. J. Butt, S/Lt. J. Harle, S/Lt. L. Hyndman, S/Lt. (P) C. Strong

This year's activities included winter training at our home division, "H.M.C.S. NON-SUCH" and summer training on both coasts.

The program of winter training included parade movements, navigation, seamanship, communications, naval history, and gunnery. Socially, the year was a rousing success. The Tri-Service Ball is traditionally held in "Non-such" and it was filled to capacity again this year. We also attended the Memorial Service on Armistice Day, a mess dinner, gunroom party, and a New Year's levee.

Recognition as full members of the Wardroom mess at H.M.C.S. Nonsuch added to the opportunity for social participation in the ship's activities.

JOHN EAGERLY DISPLAYING SOME BLOCKS.

Summer training for first-year cadets is held on the East Coast. Their course of studies includes: ceremonial parades, basic naval courses, and "on-ship" training.

The second year cadets proceed to Esquimalt, B.C. where they take specialized courses. Seattle, San Francisco, Portland, as well as Canadian West Coast harbours are regular ports of call on cruises. Frequently such intriguing names as Acapulco, Hawaii, Tijuana, become familiar to the cadets as a result of these Summer cruises. Fleet Air Arm Cadets take flight training at Penhold as well as various Eastern centers.

The cadets feel that the training program is interesting, educational, and well worthwhile.

Does anyone know how this Boofer works?

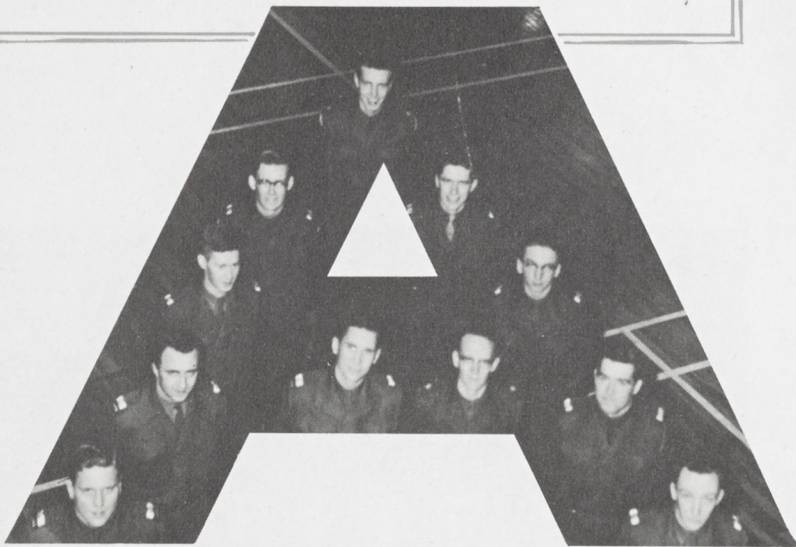

OUR CONTINGENT

VY

Staff

Commanding Officer—Lt. Col. D. E. Smith,
Maj. R. C. W. Hooper, Maj. A. T. Elder,
Maj. W. C. Wonders, Maj. J. H. Whyte,
Capt. D. Burns, Cpl. G. Alderson

JOHN NASEDKIN finds that sleep during D.N.D. time is very restful. So does the fly on his nose!

During the current University year the C.O.T.C. participated in the Tri-Service Ball, a mess dinner, and the Memorial Service on Remembrance Day. This year the P.P.C.L.I. band played at the Ball. As a result of the competitive rifle shooting O/C K. E. E. Peterson, the best marksman, was awarded the Col. H. A. Dyde Trophy on Color Night.

The theoretical or winter phase of training consists of lectures given by the contingent officers and guest speakers. Cadets studied such topics as Tactics, Current Affairs, Military Geography, and Military History.

Some of the Engineers find that a Bailey bridge is heavy.

"... AND WE GO UP THE CREEK ..."

THE REVIEWERS

M

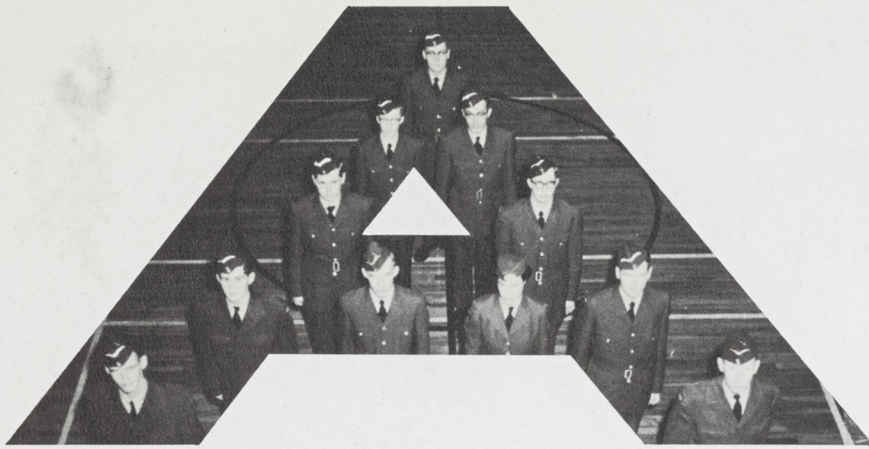

Y

During the summers the officer cadets attend their respective corps schools for practical training. This year two of our contingent received best cadet awards. They were: O/C George Eykelbosh and 2/Lt. Jim Sandham. Fifteen members of the contingent qualified as Second Lieutenants in September, having successfully completed two years training.

Four of our contingent were selected from the top cadets in Canada to complete their third practical phase in Germany. The lucky four were: 2/Lt.'s Paul Chrumka, Fred Hulmes, Ken Wiancho and O/C Brian Staples.

Our contingent being reviewed after the Memorial Service.

IR

Staff

Commanding Officer, W/C B. E. Riedel

F/L J. R. Curry, F/L A. B. Crighton,

F/O F. D. Blackley, Cpl. J. F. G. Poire

During the summer, cadets of the squadron were posted to RCAF units in Canada from Prince Edward Island to Vancouver. First year cadets were posted to College Militaire Royale in St. Jean, Quebec, and London, Ontario, for their basic courses. Following their basic courses the first year cadets were sent on to RCAF Stations for specialized training.

F/Cs Val Liss and George Young enjoyed a successful summer at RCAF Stations in Europe. The following cadets qualified and were promoted to Pilot Officer rank in the squadron: Pat Bell, Terry Harrold, Norm Klingbeil, Berny Lemay, Val Liss and Jack Miller.

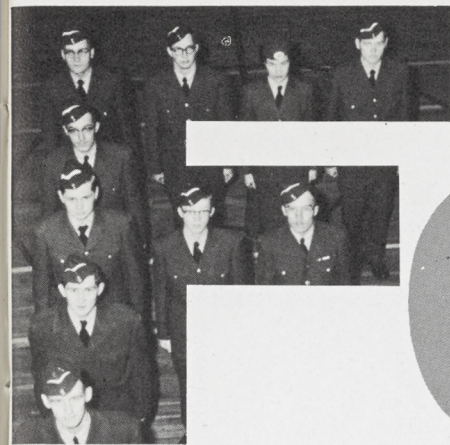

Besides the regular Wednesday night lectures during the winter, a number of special parades were held. These included

Three graduates of our squadron who have transferred to 418 Squadron, City of Edmonton, strike up a hero pose.

FORCE

visits to Tactical Air Command Headquarters for swimming, a mess dinner, and the Tri-Service Ball which cadets helped in planning. Rifle shooting was added to the training schedule this winter and many of the cadets have qualified for marksmen badges.

F/O Blackley was appointed to the squadron staff this winter to replace F/O John Agrios, who, along with F/O Jim Carroll, P/Os Norm Klingbeil, Jack Miller and Terry Harrold, has transferred to 418 Auxiliary Squadron to continue training. W/C B.E. Reidel has replaced W/C L. E. Gads as CO RUS. W/C Gads, who recently received the Canadian Decoration, had devoted ten years of service to our squadron and we certainly appreciate the fine job that he did for us.

F/O JIM CARROLL giving the girls some pre-flight instruction.

FORMAL GATHERINGS . . .

Summer Session

. . . AND INFORMAL

The Summer Session of 1956 was a memorable one. Approximately 2,200 students were in attendance, making it by far the largest Summer Session since 1944, the year that the University assumed responsibility for the Summer School for Teachers previously conducted by the Department of Education. Included in this large group of students were several smaller, but significant, groups. There were approximately 120 students registered in the School of Graduate Studies. Another 200 were enrolled in the Emergency Teacher Training Program. A small, but very interesting group, were the thirty teachers, mostly from Federal Schools, who were registered in a special non-credit course in Indian and Eskimo Education which was organized and sponsored jointly by the Departments of Northern Affairs and Natural Resources, and Citizenship and Immigration. Finally, out at Concordia College, the facilities of which they took over completely, a group of seventy school principals participated in a special three-week, non-credit, workshop-type "Leadership Course for School Principals". One of the most interesting features of this very unique course was the fact that the participants were nominated and completely subsidized by their school boards.

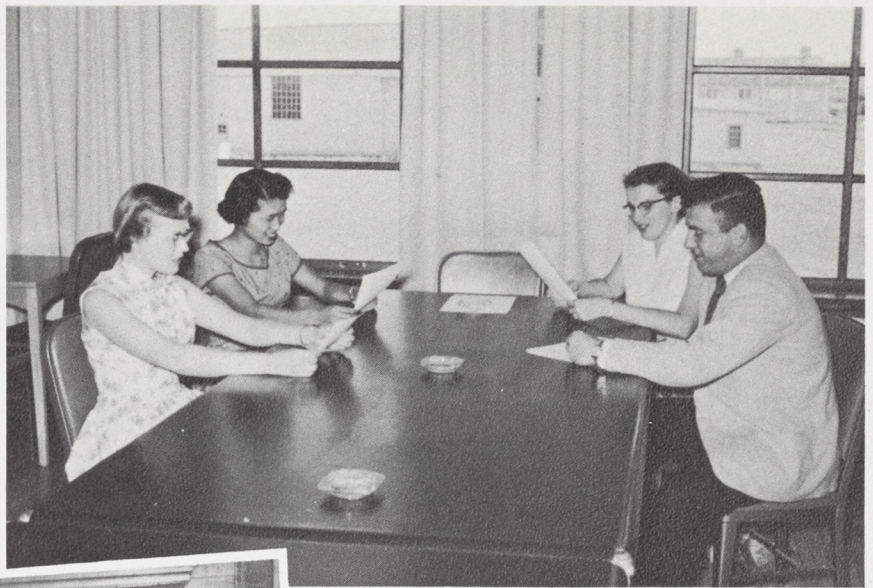

To that sizeable group of students who completed their degree requirements in the Summer Session of 1956 and graduated at the Fall Convocation we extend congratulations and best wishes.

Woodward's

TWO STORES to serve YOU!

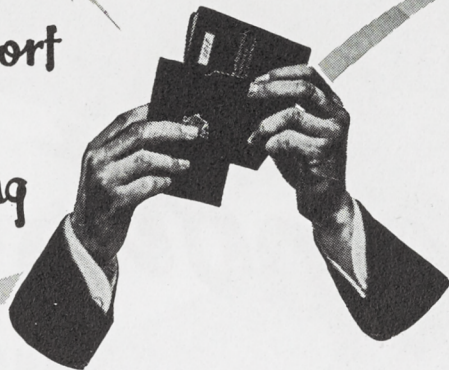

DOWNTOWN *and* WESTMOUNT

Woodward's service starts with the desire to satisfy its many customers . . . to serve Edmonton and district with the same sound and honest merchandising policy as in the past.

Our ever-growing popularity as "EDMONTON'S FAMILY SHOPPING CENTRE" and our policy of everyday low prices for fine quality merchandise and tasty foods is reflected by the many satisfied customers that file in and out of these busy shopping centres.

Your Passport
to
Better Living

Saving isn't the
whole story of Better
Living... but it's the
chapter that holds
the key to a
lot of good things

SYMBOL OF PROVEN QUALITY

This famous trade mark, known and respected all over the world, symbolizes the reasons why so many of Canada's most important installations are equipped with JENKINS Valves. The experience of satisfied users has proved over the years that this familiar Jenkins Diamond Mark is an assurance of:

- ◆ *Expert design and engineering*
- ◆ *Material of the finest quality*
- ◆ *Step-by-step inspection in manufacture*
- ◆ *Top performance on the job*
- ◆ *Unexcelled dependability and endurance*
- ◆ *Lowest maintenance cost*

Making quality valves is our business . . . our ONLY business. And the Jenkins Diamond Mark is your guarantee that the valve on which it appears has been built to do its job better, longer and with less upkeep than any other valve your money can buy.

*Sold through leading
industrial distributors.*

Preparing for a lifetime of progress

He has the urge to be where "big things" are happening... so he is studying engineering.

Wherever you go in Canada today you can see the work of the professional engineer whose vision, initiative and orderly thinking are vital to progress in this swift-moving technological age.

When you flip a switch at home an amazingly intricate system of power equipment goes to work for you.

Electricity cannot be made and stored—it is made and delivered instantly at the speed of light. In effect, you reach back from your switch through wires, meters, transformers, substations, switch-gear, generators, turbines—right to the very source of power. This incredible process... safe, reliable and low-priced... has been made possible through the skills of professional engineers.

Less than 20 years ago only about one in 700 workers was a graduate engineer... today there is 1 to every 150 workers. At Canadian General Electric we employ nearly 1,000 engineers—approximately one to every 20 employees—and more are constantly needed to keep pace with the increasing demand for equipment to generate and transmit electric power and the many products which put it to work.

For over 50 years this Company has conducted a training programme for engineering graduates. In our plants, they acquire an intimate knowledge of the theoretical and practical principles of manufacture, design and installation. Known as the "Test Course" it has provided important postgraduate training for many of today's professional engineers in various fields of Canadian industry.

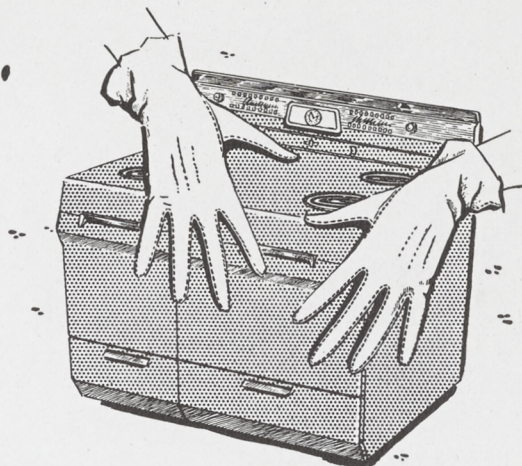

The future holds many engineering opportunities in Canada, where people are so electrically minded that the demand for power *doubles every 10 years!* Right now engineers are busy on products, projects and in industries that didn't even exist a few years ago, when many electrical developments, such as television, were practically unknown.

Canada's first atomic electric power plant presents one of the greatest engineering challenges of our time. It is being built by Canadian General Electric for Atomic Energy of Canada Limited and Ontario Hydro. This is just one of many great projects that exemplify the major role being played by professional engineers... key men in our nation's progress.

Progress Is Our Most Important Product

CONGRATULATIONS to the 1957 GRADUATING CLASS

I am privileged and proud to extend sincere congratulations to the members of the University of Alberta 1957 Graduating Class, on behalf of the citizens of Edmonton.

Wise and honest application of the knowledge and experience you have gained during your studies at the University will serve you well in the years that lie ahead.

May the years bring you success, personal satisfaction, and the opportunity to contribute your knowledge, skills and leadership for the betterment of the communities in which you will make your homes.

Wm. Hawrelak

University of Alberta, Edmonton

New world on a roof top

They had talked about buying a TV set for a long time. They'd heard a lot about the programs from their neighbors and had seen the aerials spring up from the roofs of many a farm home in the area.

Now it was their turn. The installation men from town scrambled up on the house and had the aerial in place in less than two hours. "There it is," the farmer remarked when they had finished, "a whole new world, sitting right on top of our roof."

His wife was thinking of the programs for housewives she'd be able to watch. As for the youngsters, they knew all about the westerns—and could hardly wait.

Television does bring to the farm scene a

new, visible world of entertainment, information and opinion. A TV aerial on a farm roof top is an outward sign of many welcome changes in rural living—changes that have made farming more relaxed and pleasurable in every way.

Modern farm machinery has helped greatly to bring this about. From spring planting to fall harvesting, the new machines move along smoothly and swiftly, first laying down, then rolling up the gigantic carpet of the farmlands. Fast, economical, efficient, they have given the farmer new opportunities to enjoy the results of his work.

We intend to make them even more helpful in the years to come.

Complete your Library with a First Edition
Presentation Copy of the Alberta Story . . .

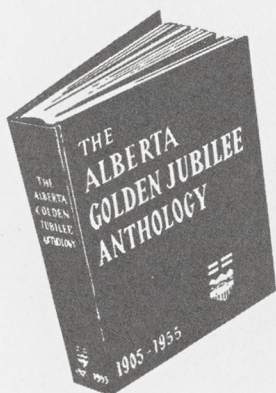

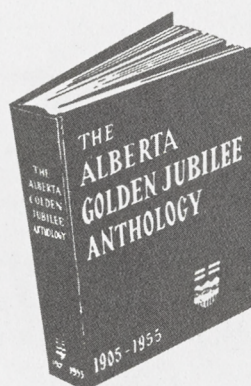

The Alberta Golden Jubilee Anthology

Edited by W. G. Hardy — Illustrated by H. G. Glyde, R.C.A.

Published by McLelland and Stewart, Toronto

The CONTENTS are of surprising interest, containing some 40 articles on Alberta, some 30 fiction stories, a section devoted to poetry, 14 full-color kodachromes of the Alberta scene and a fine art section.

ONLY
\$5.00
Worth \$8.50

A fascinating glimpse into the past . . . a penetrating glance at the present . . . a provocative peer into the future . . . is all yours between the hard covers of Alberta's Golden Jubilee Anthology. Crammed full of interesting pictures, thrilling fiction and sprightly articles by Alberta authors, the book is a valuable adjunct to every home library. For the sake of your children . . . your memories . . . get a copy TODAY. It is a veritable treasure-house of anecdote and pioneering adventure, written with authority and feeling about people and places in this great Province of Alberta. We suggest a copy as an ideal birthday or anniversary gift!

Golden Jubilee Anthology Copies May Be Obtained from:

STEEL

... the stuff
dreams are made of ...

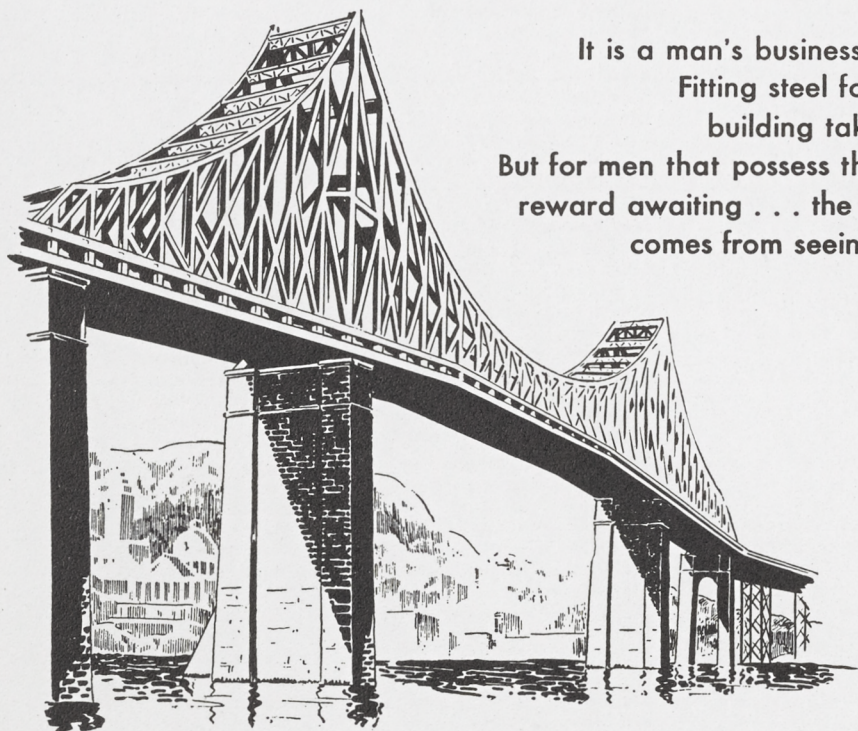

Steel without form is a commodity without purpose . . . like paint without the artist to give it expression.

And the form of steel, too, starts with the mind. It takes shape sometimes on a flash of intuition, a mere wisp of an idea, a thought; but most frequently perhaps, on hard thinking knowingly applied.

It is a man's business, but not necessarily for all men.

Fitting steel for its mighty part in industry and building takes imagination, foresight, vision.

But for men that possess these qualities there is a singular reward awaiting . . . the peculiar, lasting satisfaction that comes from seeing dreams come true . . . in steel.

Opportunities exist in the steel industry for young engineers, draughtsmen and designers. Making contact with any of the companies listed below will bring you full particulars.

NO CEILING IN ENGINEERING

● Every year brings challenging new demands to Canadian engineering. The nation's rapid industrial expansion . . . the need for more advanced scientific defence techniques . . . the desire of Canada's people for better living through the products of engineering . . . all these keep the horizon steadily broadening for the country's engineers.

Matching the new demands are new engineering advances that give promise of further development with no limit in sight. To the student with ability in maths and science, Engineering offers a stimulating and rewarding future.

YOU CAN BE SURE...IF IT'S

DIRECTOR'S NOTE

The last pages flip together and the 1957 Evergreen and Gold is finished. This University of Alberta Yearbook takes its place with the thirty-odd others. Another chapter has been told, a little bit different from the preceding ones and, as every Director hopes, perhaps a little better.

The office is cluttered, empty, except for me, and strangely quiet. The dust has already started to settle on the remaining pictures and discarded layouts. It is time to look back and see the improvement, mistakes, and work that went into this yearbook. Many changes have been made this year, following the belated decision to switch to lithography. The wisdom of this decision depends upon the approval which you, the students, register about this book you have just finished reading. The office has been busy for seven months. Busy while the section editor made layouts, the photographers scurried after pictures, and Dennis Lawson, the editor, passed judgement on each page that came in. There were other staffers who put out their best performance too - Gay Marshall, thinking up original ideas, Mary Wynne Moar and Rebecca Donald working through the holidays on the Student Section; Crawford Smith, Colleen Housely, Carla Jean Martin, and others, too innumerable to mention. It was a large job, but they came through. And always there when I needed them were Ken Broadfoot and Dennis Lawson. To all of them my sincere thanks.

After the book left our hands it went to Hamly Press where their competent staff ironed out problems, took the material and finished the job. Along with my thanks to them go my apologies for missed deadlines and straggling pages. It has been a long climb, but now that we have reached the top and finally seen the results of our climb we all feel that it was well worth it.

And now, what do you, the students, think?

Park Davidson
